*Person in His Kingdom* Du Bois Henry Loux,1918      **Speaking God!** Gary M. Sylvas, Sr.,2006-05-18      God Is Speaking to You Jacqui D. Williams,2024-04-18

The world and all that is within heaven and earth were first brought into existence by the spoken Word of God We can change our situations and circumstances when we speak God s Word in faith One example of this is when the centurion spoke to Jesus in Matthew 8 8 saying LORD I am not worthy that thou shouldst come under my roof but speak the word only and my servant shall be healed Throughout our life we can see examples of God s spoken Word that brought forth life to our dead situations healing to our sick bodies and restoration in our broken relationships Even during some of our hardest and most difficult times of hurt pain disappointments and devastation we as children of God can testify that there is evidence where God still used something from that pain to turn it around for our good and in our favor Romans 8 28 In this book *God Is Speaking to You* I want readers to be open to hearing what the Spirit of the Lord is speaking to their hearts as it relates to their individual walk with God God is always speaking to us in some way and we want to be sensitive to recognize and know when it is the voice of God John 10 4 5 When we spend quality time in His presence there will be no doubt that we will be able to identify the difference between the voice of God and a stranger      *When God Speaks: How to Recognize God's Voice and Respond in Obedience* Henry Blackaby,Richard Blackaby,2015-04-17

When God Speaks is an extensive study of the important truths concerning God s speaking to His people God does speak to His followers He gives clear personal instructions that enable you to experience fully His power presence and love When God Speaks will help you understand the ways God speaks and be obedient to His voice Perfect for individuals or small groups 6 sessions      *Shhh...God Is Speaking* Thaddeus Wright,2015-04-14

This book is about one thing and that is to bring people all over the world closer to God It is about being able to hear and apply what God is saying to us as a people It is about what God is saying and not me the Author It is intended to help motivate and inspire the unbeliever to become a believer and a servant of the most high God and to bring the believer even closer to God In this book I use personal experiences to illustrate that no matter what people may be going through or what they have done God is still in the delivering business It is all about praising and giving God the glory in spite of how your situation may look It is about praising your way out of your storm rather than walking through the storm with your head held down This book is all about our father our creator our healer our deliverer and our Savior Jesus Christ      God Speaks Your Love Language Gary Chapman,2025-06-03

Feel God s love more personally Learn how you can give and receive God s love through the five love languages words of affirmation quality time gifts acts of service and physical touch Gary Chapman writes As we respond to the love of God and begin to identify the variety of languages He uses to speak to us we soon learn to speak those languages ourselves Whatever love language you prefer may you find ever deeper satisfaction in using that language in your relationship with God and with other people Now with a brand new chapter on Getting Out of Your Comfort Zone which will teach you the joys of speaking a love language you re not used to with God Become more deeply connected with God and watch this bond transform all of your relationships

**God the Loving Father** Mary Florence Brown, 1922      Speaking of God Anthony G. Siegrist, 2019-10-29 Do you ever think you're forgetting how to talk about God Or never learned how Theology is nothing more and nothing less than speaking together about God Still a lot of us don't know where to start In Speaking of God pastor and theologian Anthony Siegrist helps readers recover a basic language around Christian theology The sweeping epic of Scripture serves as the scaffold for this accessible book In vivid and even humorous writing Siegrist introduces us to scholars and pilgrims and traditions that disclose essential truths about God and Jesus Christ as well as concepts like creation sin redemption the church and discipleship By plumbing the works of theologians such as Augustine Julian of Norwich Antonia Gonzalez and Kazoh Kitamori Siegrist offers readers an introduction to Christian theology throughout the ages emphasizing common threads of thought and practice across traditions Learning to talk about God requires courage and humility this handbook of Christian theology will help you gain both Join the deepest longest conversation in the world      **God Is Talking to You** Victor Hill, 2019-11-13 God said God speaks The Lord said A voice from heaven answered From Genesis to Revelation God communicated with His people and He has never stopped God is still speaking today desiring to share His thoughts His wants and His will Years ago people owned transistor radios that required adjusting the needle until it hit the right frequency so they could listen to a program without staticky feedback The cares of this world and our old nature are like that feedback dulling our ears and our eyes But the more time we spend intimately praying and fellowshiping with God the stronger our connection will be to His voice Our hearts and ears will hit the right frequency and we will become tuned to God because we all possess within us the ability to hear Him To hear His voice In God is Talking to You Apostle Victor L Hill desires to help believers pierce through the mysteries that surround hearing God's voice while challenging the concept that hearing God is based on a person's age growth or spiritual development Apostle Hill dispels the belief of God being a distant inaccessible benefactor rather than a benevolent loving Father who longs to spend time communicating with His children whether they have just received the gift of salvation and have started their Christian walk or if they've been on the road for decades One of the difficulties believers face is embracing the realities of God speaking to us along with fully grasping His yearning to communicate with us Apostle Hill also expounds upon the relationship between God's voice effective prayer and faith as well as how reverence and submission open the believer's heart mind and ears He delves into the role of the Holy Spirit within us who solidifies our place position and even authority in God God is Talking to You is a teaching and anecdotal guide to a more intimate and spiritual connection to our Creator In this season know that as we learn how to hear God's voice the more impact we will make in the earth      *God-talk* Kurian Kachappilly, 2006 Articles presented at the International Seminar God Talk Contemporary Trends and Trials held on November 4-7 2005 at the Faculty of Philosophy Dharmaram Vidya Kshetram in collaboration with Christ College Bangalore      **The Holy Exercise of the Presence of God ...** T.
