Terry Deary,2017-06-01 From the bestselling author of Horrible Histories named the outstanding children s non fiction author of the 20th century by Books For Keeps _____ It s tough being a peasant in Saxon Britain The taxes are too high there are bandits everywhere and rabbit porridge for dinner every night Even worse now the local thane Lord Ethelbert is plotting to take King Offa s throne and the villagers are caught in the crossfire Can clever young Marian keep the peace More importantly can she keep her head Join master storyteller Terry Deary for a trip back in time to Saxon times and an exciting adventure _____ Bubbling with wit language play and robust dialogue just the right mix of ingredients to trigger young readers interest in all things historical Books For Keeps **The Archer's Tale** Bernard Cornwell,2002-09-03 After surviving a vicious attack on his village in 1343 archer Thomas of Hookton joins the army of King Edward III as he prepares to invade France but his search for vengeance takes him on a quest for the Holy Grail *Winning His Spurs* George Alfred Henty,2020-05-04 It was a bright morning in the month of August when a lad of some fifteen years of age sitting on a low wall watched party after party of armed men riding up to the castle of the Earl of Evesham A casual observer glancing at his curling hair and bright open face as also at the fashion of his dress would at once have assigned to him a purely Saxon origin but a keener eye would have detected signs that Norman blood ran also in his veins for his figure was lithier and lighter his features more straightly and shapely cut than was common among Saxons His dress consisted of a tight fitting jerkin descending nearly to his knees The material was a light blue cloth while over his shoulder hung a short cloak of a darker hue His cap was of Saxon fashion and he wore on one side a little plume of a heron In a somewhat costly belt hung a light short sword while across his knees lay a crossbow in itself almost a sure sign of its bearer being of other than Saxon blood The boy looked anxiously as party after party rode past towards the castle I would give something he said to know what wind blows these knaves here From every petty castle in the Earl s feu the retainers seem hurrying here Is he bent I wonder on settling once and for all his quarrels with the Baton of Wortham or can he be intending to make a clear sweep of the woods Ah here comes my gossip Hubert he may tell me the meaning of this gathering Leaping to his feet the speaker started at a brisk walk to meet a jovial looking personage coming down from the direction of the castle The new

comer was dressed in the attire of a falconer and two dogs followed at his heels Ah Master Cuthbert he said what brings you so near to the castle It is not often that you favour us with your presence I am happier in the woods as you well know and was on my way thither but now when I paused at the sight of all these troopers flocking in to Evesham What enterprise has Sir Walter on hand now think you The earl keeps his own counsel said the falconer but methinks a shrewd guess might be made at the purport of the gathering It was but three days since that his foresters were beaten back by the landless men whom they caught in the very act of cutting up a fat buck As thou knowest my lord though easy and well disposed to all and not fond of harassing and driving the people as are many of his neighbours is yet to the full as fanatical anent his forest privileges as the worst of them They tell me that when the news came in of the poor figure that his foresters cut with broken bows and draggled plumes for the varlets had soused them in a pond of not over savoury water he swore a great oath that he would clear the forest of the bands It may be indeed that this gathering is for the purpose of falling in force upon that evil disposed and most treacherous baron Sir John of Wortham who has already begun to harry some of the outlying lands and has driven off I hear many heads of cattle It is a quarrel which will have to be fought out sooner or later and the sooner the better say I Although I am no man of war and love looking after my falcons or giving food to my dogs far more than exchanging hard blows yet would I gladly don the buff and steel coat to aid in levelling the keep of that robber and tyrant Sir John of Wortham
