The United States Special Operations Command Resource Management Process Leslie Lewis,James A. Coggin,Charles Robert Roll,1994 This report discusses how a structured methodology called Strategy to Tasks can help the U S Special Operations Command USSOCOM improve its resource allocation and management process Analysis of USSOCOM s processes and program requirements suggests that RAND s Strategy to Tasks methodology might be able to accomplish the task of linking USSOCOM s programs and resources to national security strategy Specifically the methodology meets three critical requirements in USSOCOM s program that do not now exist 1 a top to bottom linkage of Special Operations Forces SOF programs 2 a more disciplined Planning Programming and Budgeting System PPBS that includes a clearer understanding of the resource issues the process includes analytical tools and linked databases and 3 a structured process that involves the components in the resource debate The study created a baseline taxonomy that provides a traceable audit trail from national security and military strategies through operational concept to force elements It also fosters operationally oriented statements to the Chairman Joint Chiefs of Staff the Secretary of Defense and Congress about special operations force capabilities

Deadly Blue Fred PUSHIES,2009-10-14 The story of any military operation revolves not just around strategies and equipment but around people Now for the first time readers will get an intimate look at the people behind CAS Close Air Support Their work is both delicate and deadly their actions rooted in months of planning and executed with split second timing Acting as a bridge between special ops ground troops and lethal air power CAS demands a skill set unparalleled even among the most elite military forces But just as important is the mindset dedication and daring of a very special brand of Airman They include Advance teams that create airfields and landing strips from nothing The combat controllers that coordinated airstrikes and support during the hunt for Osama bin Laden in Tora Bora Special tactics teams who work closely with Joint Special Operations Task Forces Military enthusiasts history buffs and readers inspired by stories of exceptional bravery and patriotism will all be drawn to the heroes of Deadly Blue the Air Force Special Operations Command that orchestrates and executes these critical missions

DET ONE: U.S. Marine Corps U.S. Special Operations Command Detachment, 2003 - 2006: Lieutenant Colonel

John P. Piedmont, 2014-08-15 Illustrated with over 30 photos The story of the Marine Corps U S Special Operations Command Detachment which became known as Det One is an extraordinary tale On its face the story would not rate a minute's glance One small group of Marines about a hundred in number formed, trained and went to war This all happened as the nation was 18 months into the Global War on Terrorism and as the Marine Corps was deploying I Marine Expeditionary Force in Operation Iraqi Freedom Yet the story behind the basic facts is not only far more intricate and fascinating with dramatic episodes and intrepid characters from the Pentagon to Camp Pendleton it portended great significance for the Marine Corps What makes the Det One story extraordinary is the shift in Marine Corps policy that brought it about the maturation of the special operations capabilities of forward deployed Marine expeditionary units that made it possible and the patriotism, valor, fidelity and abilities of the Marines and Navy Corpsmen who manned it Although Det One has passed now into the history books its legacy survives in the formation of Marine Corps Special Operations Command and in the lessons learned and experiences of its members who now continue to serve in dozens of units

Special Operations Forces DIANE Publishing Company, 1994-05 As a result of problems with several special operations missions in the 1980s including the failed attempt to rescue American hostages from Iran in April 1980 Congress created a joint special operations command in 1987 to ensure the readiness of assigned forces This report assesses how the command determines its force level and mix of active and reserve forces and examines issues affecting the readiness of special operations forces Charts and tables

US Special Operations Command in Action Patrick Allen, Patrick H. F. Allen, 2002 These elite fighting units are honed to perfection in the art of clandestine warfare and can operate in every conceivable geographical location reacting rapidly to a wide range of challenges They utilize the most modern military equipment to fight on land and sea or in the air This book transports you into their hidden secret world where you will join them skydiving through the night making underwater forays into hostile territories or guiding allied fighting aircraft on their precision target sorties

Always Faithful, Always Forward Dick Couch, 2014-06-03 Established in 1986 the U S Special Operations Command was set up to bring the special operational disciplines of all branches of the military under a single unified command to act on missions involving unconventional warfare, special reconnaissance, foreign internal defense and direct action The Marine Special Operations Command MARSOC is the newest component of the military's shift toward a fully integrated Special Operations Command structure At first the Marines were strongly against any Marines serving under anyone other than another Marine Then 9/11 happened In the years following Marine forces found themselves growing more agreeable to inter-branch operational command finally forming the Marine Special Operations Command in 2006 Always Faithful Always Forward follows the journey of a class of Marine candidates from their recruitment through assessment and selection to their qualification as Marines Special Operators The assessment, selection and training regimes are a combination of psychological testing and intense military training as well as being a physical and professional rite of passage MARSOC Marines must be efficient, agile, independent

and prepared to live hard in the field They are warriors trained in the full range of military skills as well as teachers who can train locals to defend their communities and lead them in battle But above all they are Marines Their ability to leverage their numbers by embedding with the locals and to live in remote locations has in their short history made them a valuable force and one with great utility in remote reaches of the world Retired Navy Captain Dick Couch has been given unprecedented access to this new command and to the individual Marines of this exceptional special operations unit allowing him to chronicle the history and development of the Marine Special Operations Command and how they find recruit and train their special operators INCLUDES PHOTOGRAPHS Defense Acquisitions; An Analysis of the Special Operations Command's Management of Weapon System Programs , **U.S. Special Operations Command Fact Book 2013** U.S. Special Operations Command,2013 Resistance Manual United State Special Operations Command,Assessing Revoluti Insurgent Strategies,2021-02-07 This manual is for the US Army Special Operations Forces ARSOF soldier Whether attending his her first course at the John F Kennedy Special Warfare Center and School SWCS or already deployed the ARSOF soldier must be a student practitioner of his her craft providing support to or countering a resistance movement **The Complete Idiot's Guide to the U.S. Special Ops Forces** Marc Cerasini,2002 A guide to the face of modern US warfare in the 21st century The US Special Operations Forces will be at the forefront of every battle that the US will wage against the war on terrorism **Army Special Operations Command** U S Military,Department of Defense (Dod),Uni Special Operations Command (Usasoc),2019-06-25 This is a unique compilation of up to date U S Army Special Operations Force documents Contents Book 1 Army Special Operations Vision Book 2 USASOC Strategy 2035 Book 3 2018 Update to Strategy 2035 Book 4 Overview Communicating the ARSOF Narrative and Setting the Course to 2035 provide the Nation with the world s most capable Army Special Operations Forces ever ARSOF Soldiers excel across the broad spectrum of operations in the most demanding complex and uncertain environments imaginable We take the fight to the enemies of our Nation Our success rests upon the invincible will utmost professionalism and exceptional competence of our highly trained Men and Women SOF operations are inherently joint and as the Army s Special Operations capability we embrace our critical role within USSOCOM for keeping the Nation safe To meet current and future challenges we must invest in the best capabilities optimize our formations for efficiency and effectiveness and care for our people and their families We must continue to evolve to maintain our competitive advantage over any adversary We will enhance our lethality strengthen alliances and partnerships refine joint force interoperability and expand relationships as we employ our capabilities to win both in competition and in open conflict This compilation includes a reproduction of the 2019 Worldwide Threat Assessment of the U S Intelligence Community USASOC 2035 provides facts and details for use by members of the force when communicating the ARSOF narrative in engagements with joint force commanders interagency partners and other audiences worldwide It also provides guidance for the further development of ARSOF institutional and operational capabilities needed to counter future threats across the

spectrum of conflict especially in gray zones between peace and overt war It presents objectives for developing future capabilities that will move ARSOF from the force of today to the force of tomorrow For more than 60 years ARSOF have served at the tip of the spear in defense of the nation Today the U S Army Special Operations Command represents a force of approximately 33 000 personnel and more than half of the nation s SOF ARSOF elements consistently fill more than 60 percent of all U S SOF deployments worldwide with ARSOF Soldiers deployed in more than 70 countries on any given day of the year delivering strategic value to the nation through four complementary capabilities the Pillars of ARSOF Capability an Indigenous Approach to Operations Precision Targeting Operations Developing Understanding and Wielding Influence and Crisis Response They are employed throughout the operational spectrum and across all campaign phases including interagency or Coalition led campaigns and operations Together the Pillars of ARSOF Capability provide options to shape or prevent outcomes in support of our national interests These capabilities coupled with tailorable mission command nodes and scalable force packages that are low signature and employ a small footprint are particularly suited for employment in politically sensitive environments
