Speed A Novel:

The Speed of Light Javier Cercas, 2006 The young hero of *The Speed of Light* is an aspiring writer in provincial Spain in the 1980s dreaming of burning success searching for a real story to tell Out of the blue he is offered the chance to work in a Midwestern university and soon he is in the United States living a happy carefree life working and writing Little does he know that his burgeoning friendship with the Vietnam Vet Rodney Falk a man of few friends and strange ways will influence the course of his entire life or that he will become obsessed with unravelling the mystery at the heart of Rodney's life Why do people sometimes ridicule and sometimes fear Rodney Why does he shun the world Why does he accept and befriend the narrator What really happened at My Khe When the young writer's own life takes a terrible twist many years later Rodney may be the only person in the world who can save him

Speed Mark Harris, 1998-12-01 *Speed* is a first person novel about two brothers growing up half a century ago the story of the narrator and his brother Speed a magnificent boy in every respect except one And Speed's one defect leads him to a mad act of nihilism that is remembered by his brother for a lifetime

Power, 1921 *Advanced Direct Thrust Force Control of Linear Permanent Magnet Synchronous Motor* Muhammad Ali Masood Cheema, John Edward Fletcher, 2020-02-13 This book explores the direct thrust force control DTFC of tubular surface mount linear permanent magnet synchronous motors linear PMSMs It presents a detailed account and analysis of several advanced nonlinear control schemes based on the direct thrust control principle to achieve a reduction in steady state ripple in thrust force with faster transient response and describes their experimental validation It also provides rigorous details of the dynamic modelling of linear PMSMs from a control system perspective and demonstrates the superior control performance of the proposed techniques compared to the current state of the art techniques Lastly the book proposes and validates a stator flux observer for sensorless speed estimation comprising a linear state observer and an improved sliding mode component

The Speed Reading Book Tony Buzan, 2009-12 Right now vast amounts of data are being produced and transferred around the world Each year this equates to millions of times more than the information contained in every single book ever published To succeed in this age of information overload we need to have skills that enable us to take in and assimilate a lot of information fast Back cover

Don DeLillo Peter Boxall, 2006-04-18 One of the few available books of criticism on the topic this monograph presents the fullest account to date of Don DeLillo's writing situating his oeuvre within a wider analysis of the condition of contemporary fiction and dealing with his entire work in relation to contemporary political and economic concerns for the first time Providing a lucid and nuanced reading of DeLillo's ambivalent engagement with American and European culture as well as with modernism and postmodernism and globalization and terrorism this fascinating volume interrogates the critical and aesthetic capacities of fiction in what is an age of global capitalism and US cultural imperialism
