Runaway Technology Joshua A. T. Fairfield, 2021-02-25 In an era of corporate surveillance artificial intelligence deep fakes genetic modification automation and more law often seems to take a back seat to rampant technological change To listen to Silicon Valley barons there s nothing any of us can do about it In this riveting work Joshua A T Fairfield calls their bluff He provides a fresh look at law at what it actually is how it works and how we can create the kind of laws that help humans thrive in the face of technological change He shows that law can keep up with technology because law is a kind of technology a social technology built by humans out of cooperative fictions like firms nations and money However to secure the benefits of changing technology for all of us we need a new kind of law one that reflects our evolving
