Feinberg, John J. Tarrant**

## **The Leavetaking:**

**The Leavetaking** John McGahern, 2009-11-05 A haunting novel by one of the greatest writers of our era Hilary Mantel and the Irish novelist everyone should read Colm T. Ó. A day crucial and cathartic in the life of a young Catholic schoolteacher who has returned to Ireland after a year's sabbatical in London where he married an American divorcee. As a result he now faces certain dismissal by the school authorities. Moving from the earliest memories of both the man and the woman, the novel recreates their breaking of the shackles of guilt and duty into the acceptance of a fulfilling adult love. A beautiful, irresistible work of imagination. Sunday Telegraph. Wise and compelling. Elegiac and graceful. David Mitchell. I have admired even loved John McGahern's work since his first novel. Melvyn Bragg. **The Leavetaking** Anna Gilbert, 1990-10-01

**Leavetaking [and] Vanishing Point** Peter Weiss, 1966 I was on my way to look for a life of my own. A brilliant, brutally honest autobiographical novel long out of print from one of the great artistic polymaths of the 20th century. This is a Sebaldian account of the narrator's attempt to break free of a repressive upper middle class upbringing and make his way as an artist and individual, written in a single incantatory paragraph. Leavetaking is the story of an upper middle class childhood and adolescence in Berlin between the wars. In the course of the book, Weiss plumbs the depths of family life: there is the early death of his beloved sister Margit, the difficult relationship with his parents, the fantasies of adolescence and youth, all set in the midst of an increasing anti-Semitism which forces the Weiss family to move again and again, a peripatetic existence that only intensifies the narrator's growing restlessness. The young narrator is largely oblivious to world events and focused instead on becoming an artist, an ambition frustrated generally by his milieu and specifically by his mother, who herself a former actress, destroys his paintings during one of the family's moves. In the end, he turns to an older mentor, Harry Haller, a fictionalized portrait of Hermann Hesse, who encouraged and supported Weiss, and with Haller's example before him, the narrator takes his first steps towards a truly independent life. Intensely lyrical, written with great imaginative power, Leavetaking is a vivid evocation of a world that has disappeared and of the narrator's developing consciousness. THE NEVERSINK LIBRARY champions books from around the world that have been overlooked, underappreciated, looked askance at or foolishly ignored. They are issued in handsome, well-designed editions at reasonable prices in hopes of their passing from one reader to another and further enriching our culture. **The Leavetaking. Translated by Christopher Levenson** Peter Weiss, 1962. John McGahern John Singleton, 2023-11-17 John McGahern 1934-2006 believed that fiction could act as a window on the world. Such windows, however, frame our fields of vision, alter and shape our perspectives. Far from being static, the artist's perspective must continually evolve. This book provides a literary analysis of John McGahern's artistic and poetic vision, his ways of looking, examining the shifting focus of this vision, how and why it develops, what effects such developments have on the work's forms, and how these forms evolve at what times and in response to what stimuli. This volume demonstrates that such developments mirror an analogous social expansion during the latter half of the twentieth century.

and argues that McGahern's literary spaces relate to his efforts to realise a more accommodating form to envelop the structureless society. While the number of critical studies on McGahern has increased markedly in recent years, research still tends to fall into the well-established camps of social realism or literary aestheticism. This text aims to explore the common ground between the material context and social worlds of each work and the hermeneutics of a traditional literary investigation. It traverses such divides through close readings of McGahern's work with attention to the topopoetical production of images of the house, the home, and the family unit. The book ultimately shows how attention to McGahern's literary spaces provides a greater understanding of the aesthetic vision and form of each novel and allows us to understand those aspects relative to the social, cultural, and political undercurrents of the works individually and collectively.

**Psalms of the Orthodox Liturgy** Michael Farrow, 2000-06. The appropriate psalm chapters and verses as they are used in the services of the Orthodox Church according to both the Greek and Slavic usages. A companion to the various liturgical calendars/guides used by the priest, chanters, choir directors.

**John McGahern and the Art of Memory** Dermot McCarthy, 2010. The concepts of Ireland and Irishness are in constant flux in the wake of an ever-increasing reappraisal of the notion of cultural and national specificity in a world assailed from all angles by the forces of globalisation and uniformity. Reimagining Ireland interrogates Ireland's past and present and suggests possibilities for the future by looking at Ireland's literature, culture, and history and subjecting them to the most up-to-date critical appraisals associated with sociology, literary theory, historiography, political science, and theology.

**The Letters of John McGahern** John McGahern, 2021-08-31. I am no good at letters. John McGahern, 1963. John McGahern is consistently hailed as one of the finest Irish writers since James Joyce and Samuel Beckett. This volume collects some of the witty, profound, and unfailingly brilliant letters that he exchanged with family, friends, and literary luminaries such as Seamus Heaney, Colm Tóibín, and Paul Muldoon over the course of a well-travelled life. It is one of the major contributions to the study of Irish and British literature of the past thirty years, acting not just as a crucial insight into the life and works of a much-revered writer but also a history of post-war Irish literature and its close ties to British and American literary life. One of the greatest writers of our era, Hilary Mantel, says McGahern brings us that tonic gift of the best fiction: the sense of truth, the sense of transparency that permits us to see imaginary lives more clearly than we see our own.

**A Guest at the Feast** Colm Tóibín, 2023-01-17. One of Kobo Canada's Best Books of 2023. From bestselling and Booker-nominated author Colm Tóibín comes a beautiful collection of essays ranging from personal memoir to brilliantly acute writing on religion, literature, and politics. From the melancholy and amusement within the work of the writer John McGahern to an extraordinary essay on his own cancer diagnosis, Tóibín delineates the bleakness and strangeness of life and also its richness and its complexity. As he reveals the shades of light and dark in a Venice without tourists and the streets of Buenos Aires riddled with disappearances, we find ourselves considering law and religion in Ireland as well as the intricacies of Marilynne Robinson's fiction. The imprint of the written word on the private self as Tóibín himself

remarks is extraordinarily powerful In this collection that power is gloriously alive illuminating history and literature politics and power family and the self **Leavetaking** Mortimer R. Feinberg, Gloria Feinberg, John J. Tarrant, 1978 The Canadian Journal of Irish Studies ,2005 **The American and English Annotated Cases** ,1911 The College Folio ,1904

**Queensland Geographical Journal** ,1900 **The Edinburgh Review** ,1906 *Calendar of State Papers and Manuscripts, Relating to English Affairs, Existing in the Archives and Collections of Venice, and in Other Libraries of Northern Italy: 1623-1625* Great Britain. Public Record Office, 1864 *Ghost Settlement on the Prairie* Joseph V. Hickey, 1995 Four miles southeast of the village of Matfield Green in Chase County Kansas the heart of the Flint Hills lies the abandoned settlement of Thurman At the turn of the century Thurman was a prosperous farming and ranching settlement with fifty one households a post office two general stores a blacksmith shop five schools and a church Today only the ruins of Thurman remain Joseph Hickey uses Thurman to explore the settlement form of social organization which along with the village hamlet and small town was a dominant feature of nineteenth and early twentieth century American life He traces Thurman s birth in 1874 its shallow rises and falls and its demise in 1944 Akin to what William Least Heat Moon did for Chase County in PrairyErth Hicky provides a deep map for one post office community and consequently tells us a great deal about America s rural past Describing the shifting relationships between Thurmanites and their Matfield Green neighbors Hickey details how social forces set in motion by the American ideal of individualism and the machinations of capitalist entrepreneurs produced a Darwinian struggle between Thurman stock raisers and Flint Hills cattle barons that ultimately doomed Thurman Central to the story are the concept of ordinary entrepreneurship and the profoundly capitalist attitudes of the farmers who settled Thurman and thousands of other communities dotting the American landscape Hickey s account of Thurman s social organization and disintegration provides a new perspective on what happened when the cattle drives from Texas and the Southwest shifted in the 1880s from the Kansas cowtowns to the Flint Hills Moreover he punctures numerous myths about the Flint Hills including those that cattle dominated because the land is too rocky to farm or that Indians refused to farm because of traditional beliefs Like many other small rural communities Hickey argues Thurman during its seventy year history was actually several different settlements A product of changing social conditions each one resulted from shifting memberships and boundaries that reflected the efforts of local entrepreneurs to use country schools churches and other forms of social capital to gain advantages over their competitors In the end Thurman succumbed to the impact of agribusiness which had the effect of transforming social capital from an asset into a liability Ultimately Hickey shows the settlement s fate echoed the decline of rural community throughout America **The Cat's Paw** Bithia Mary Croker, 1902

**The Writings of Bret Harte: A niece of Snapshot Harry's, and other tales** [c1903 Bret Harte, 1903 **The dead man's secret; or, The valley of gold** Joyce Emmerson Muddock, 1889
