The Aura Is Radical Robert E. Harris, Jr.,2003-06 The Aura Is Radical Esq Robert E. Harris,2003-02 **The Aura Is Radical Revisited** R. E. Harris,2014-02-20 The Aura is Radical Revisited is honest and sometimes dark It is also humorous enlightening and motivating It is a love story between father and son that ends tragically It takes on many current issues in spousal and family relationships Michael Edaline is an indulgent father trying to understand his son s obsessive search for his birth mother Michael s failed relations frustrate his quest Challenged to find success through adversity Michael takes responsibility daring to toss aside the lies that supported his ego In a moment of profound grief Michael illustrates his radical aura through memories that span 50 years from 1950 to 2000 His travels take him through the urban centers of Michigan California and Texas from the military to prison and universities across the nation In an effort to understand the tragedy Michael takes a compelling look at the events that led to it In doing so he discovers he is the unexpected result of adversity He is saved when he discovers harnessed anger fuels his dreams his true sense of being and beautiful but radical aura This work explores how one may manage in a life with children suffering estrangement and difficult parents A reminder that misunderstood or in too small a measure love can be hurtful and mean *The Aura Is Radical 2* R. E. Harris,2014-04-11 This is the SECOND book in the The Aura is Radical Series by R E Doc Harris The saga continues Michael Edaline has become a professional street savvy lawyer who is challenged by his unwarranted tolerance and belief in the goodness of the wrong people A dream in his memoir grants some insight into future events He is set up for prosecution for crimes he did not commit Regardless he finds himself complicit and pays a grievous price Further events surrounding his father s death challenge him His close friend is his enemy his mentor hates him and the people he thinks he should trust betray him While he is trying to protect his integrity and reputation in an unexpected turn of events a federal judge and her clerk extends a hand to help him to his feet From federal investigations to the courtrooms this work gives a touching but accurate view of the practice of law It is a must read for professionals especially lawyers in private practice In its several acts it illustrates how familiarity breeds contempt After Human Rights Fernando J. Rosenberg,2017-03-30 Fernando J Rosenberg explores Latin American artistic production concerned with the possibility of justice after the establishment rise and ebb of the human rights narrative around the turn of the last century Prior to this key literary and artistic projects articulated Latin American modernity by attempting to address and supplement the state s inability to embody and enact justice Rosenberg argues that since the topics of emancipation identity and revolution no longer define social concerns Latin American artistic production is now situated at a point where the logic and conditions of marketization intersect with the notion of rights through which subjects define themselves politically Rosenberg grounds his study in discussions of literature film and visual art novels of political re foundations fictions of truth and reconciliation visual arts based on cases of disappearance films about police violence artistic collaborations with police forces and judicial documentaries In doing so he provides a highly original

examination of the paradoxical demands on current artistic works to produce both capital value and foster human dignity

The SAGE Handbook of Film Studies James Donald, Michael Renov, 2008-04-16 Written by a team of veteran scholars and exciting emerging talents The SAGE Handbook of Film Studies maps the field internationally drawing out regional differences in the way that systematic intellectual reflection on cinema and film has been translated into an academic discipline It examines the conversations between Film Studies and its contributory disciplines that not only defined a new field of discourse but also modified existing scholarly traditions It reflects on the field's dominant paradigms and debates and evaluates their continuing salience Finally it looks forward optimistically to the future of the medium of film the institution of cinema and the discipline of Film Studies at a time when the very existence of film and cinema are being called into question by new technological industrial and aesthetic developments
