known as the Aztec empire today The Mexica Aztecs mark the beginning of the Mexican culture Thus in this term paper I will be dealing with the Chicano culture at its very beginning Who were the Aztecs What does Aztec mean Where did they come from And how did they manage to establish such a big and powerful empire Why Tenochtitlan has been destroyed This term paper works with these questions In order to answer them a little journey through the history has to be done Hence this term paper also offers an overview of the most important events that occurred at that time But my primary concern will be to find out how the European invaders managed to overthrow the Aztec empire Or how could the Aztec empire fall to a small group of Spanish invaders How is it possible In other words I would like to find out the reasons for the fall of the Aztec empire A paper about the history and especially the Ancient history is a hard venture Because of a great variety of secondary literature and accordingly of the different opinions and views of the authors of this books relating to this theme one can quickly lose track of things The analysis is getting even more difficult because we have only few source documents from the Aztecs today so t
