

## THE BARREN ZONE

*A novel of the Japanese — as soldiers and survivors.*

Su Takashi, a brilliant staff officer in the Japanese Army experiences the full humiliation of his nation's defeat in World War II, when sent by the Emperor to bring about the surrender to the Russians of the Japanese Army in Manchuria — a force of 700,000 men. The Soviet punishment which follows is harsh beyond belief — a decade of hard labour in the infamously brutal Siberian labour camps.

Returning in the fifties to a Japan he hardly recognises, Takashi is swept up in Japan's extraordinary recovery from desolation to frenzied economic expansion. Initially bewildered and morally lost, he slowly begins to understand how the lessons of the past can be put to the service of the future . . .

*A remarkable book which tells how a crushed nation rose from the ashes.*
