Winged Thoughts From The Heart:

Winged Thoughts from the Heart Colin P. Sisson,1990-12-01 **Wings of the Heart** Pam Handa Nee Kochhar,2013

The second edition of Wings of the Heart celebrates a kaleidoscope of subjects The poems in this book are full of varied thoughts The poet becomes nostalgic sentimental emotional romantic humorous philosophical religious spiritual or even personal according to the mood she finds herself in Once she decides to view life from a particular angle she quickly transforms herself into the person she wishes to portray Sometimes she becomes an idealist and dreamer or a lover sometimes she becomes an exponent of religious and spiritual values Oftentimes she plays the part of a cultural ambassador trying to recapture the rich diversity of our world and giving her readers glimpses of the rich customs traditions and ways of life of the three countries she has lived and worked in Though sometimes she also becomes a teary eyed pessimist more often than not she becomes an optimist full of the zest for life In fact in each poem she dons the required robe of a happy sad optimistic pessimistic loving caring philosophical or dreaming human being with specific thoughts hopes dreams and visions Pam Handa s poems are in the form of traditional verse They are rhythmic soulful and meaningful They describe a panoramic view of the millions of thoughts hopes fears joys achievements failures despair dejection and rejection we as human beings are bound to face in life In today s crazy commercial world the poems in this book transport us to the good old days when music poetry dance and drama were the wings of the heart and soul They will surely touch the hearts of most of you who still maintain a sentimental side to your characters even in today s materialistic world Readers will surely find these poems close to their hearts They will not only enjoy reading them but will definitely take home some important lesson
