Winging It In The North:

Winging It! Jack Jefford, 2012-02-29 Jack Jefford shares stories of his gripping rescues white knuckle crackups and wild adventures that come from flying the not always friendly skies of Alaska Arriving in the Territory of Alaska in 1937 he started flying from the gold rush town of Nome for Hans Mirow Jack s stories are some of the most fascinating and interesting to come out of Alaska At the urging of his daughter this great early Alaska pilot decided to share these incredible flying stories with all aviation fans the world over

West Winging It Pat Cunnane, 2018-04-17 The West Wing meets The Office in this funny moving story about working in the White House that is a must read for anyone who misses having Barack Obama as President Dan Pfeiffer cohost of Pod Save America directly from his senior writer and former Deputy Director of Messaging West Winging It is the fitfully funny warm and observant Kirkus story of Pat Cunnane and his journey from outsider to insider from his dreary job at a warehouse to his dream job at the White House Pat pulls the drapes back on the most famous and exclusive building in the United States telling the story of the real West Wing with compelling and quirky portraits of the people who populate the place from the President to the press corps Pat takes you into the Oval Office providing a snappy sunny USA TODAY insider s glimpse of what it s really like from the minutiae to the momentous to work at 1600 Pennsylvania Avenue Along the way Pat draws an intimate portrait of the side of President Obama that few were privy to the funnyman the nerd the athlete the caring parent He describes both the small details the time he watched in horror as the President reached over the sneeze guard at Chipotle and the larger historic moments such as watching the President handle the news of the 2015 terrorist attacks in Paris In some ways working at the White House is a lot like every office and in some ways it s like no office ever Pat recounts the time he accidentally slammed a door on Joe Biden plotted to have the Pope bless him by faking a sneeze and almost killed America s First Dog West Winging It is a fun poignant reminder that the best part about working in the Obama White House was the people working with you and knowing that everyone was there for the right reason to try to do as much good for as many people as we possibly could Jay Carney former press secretary At its core it s a fish out of water story only these fish are trying to run the United States of America

Thoughts on Driving to Venus Christopher Pratt, 2015-09-22 Painter and printmaker Christopher Pratt is known for luminous meticulous images of Atlantic coast settings Strongly influenced by the culture and landscape of Newfoundland Pratt s still crystal clear images of archetypal island life convey more than landscape They are richly imagined almost hyperreal depictions of the land imbued with memory and meaning Thoughts on Driving to Venus allows readers an unprecedented glimpse inside Pratt s mind as he journeys through the Newfoundland countryside Originally intended for sketches that would later assist in his painting and printmaking Pratt s aptly named Car Books document numerous road trips he and his wife Jeanette took from the late 1990s to the present The diary like entries provide an overview of the artist s stream of consciousness impressions journalistic accounts and personal

reflections during these trips Some passages record the effects of colour light and shadow on a scene what he refers to as sketches some delve into personal recollections conjured by the landscapes seen through the windshield others are reflections on his complex emotional ties to his homeland The result is an intimate portrait of the creative process and realms of the imagination of one of Canada s most important contemporary artists *Home of Franklin D.
