Preaching to Convert John Fletcher,2013-11-13 Preaching to Convert offers an intriguing new perspective on the outreach strategies of U S evangelicals framing them as examples of activist performance broadly defined as acts performed before an audience in the hopes of changing hearts and minds Most writing about activist performance has focused on left progressive causes events and actors Preaching to Convert argues against such a constricted view of activism and for a more nuanced understanding of U S evangelicalism as a movement defined by its desire to win converts and spread the gospel The book positions evangelicals as a diverse complicated group confronting the loss of conservative Christianity s default status in 21st century U S culture In the face of an increasingly secular age evangelicals have been reassessing models of outreach In acts like handing out Bible tracts to strangers on the street or

going door to door with a Bible in hand in elaborately staged horror themed morality plays or multimillion dollar creationist discovery centers in megachurch services beamed to dozens of satellite campuses and in controversial ex gay ministries striving to return gays and lesbians to the straight and narrow evangelicals are redefining what it means to be deeply committed in a pluralist world The book s engaging style and careful argumentation make it accessible and appealing to scholars and students across a range of fields *Christian Advocate* ,1917 *Quiet Talks with World Winners* Samuel Dickey Gordon,1908 *The Expositor and Current Anecdotes* ,1909 *Newswatch* ,1998 **The Missionary Review of the World** ,1909 **The Congregationalist** ,1917 **The Soul-winner and Soul-winning** Joseph William Kemp,1916 The Mennonite ,1927 **Continent** ,1917 **Catalogue of Albion College for ... with Announcements for ...** ,1918 *The Winner's Bible* Kerry Spackman,2009 Winning is not a one size fits all business Athletes have programmes that are tailored to their unique make up and so it s not surprising that in the much more complex game of life you ll need a personally tailored programme too Dr Kerry Spackman s clients urged him to write THE WINNER S BIBLE so there would be a book that contains ALL the tools in one place Now you can have access to the same information and tools that Kerry s clients have benefited from for the last ten years
