Winning Roller Hockey:

Winning Roller Hockey Dave Easter, K. Vern Stenlund, 1997 Features sixty eight illustrated drills covering equipment conditioning and safety precautions *Winning roller hockey. Techniques, tactics, training* Dave Easter, 1997 **Wheelers, Dealers, Pucks & Bucks** Richard Neil Graham, 2011-07 Who won the first professional sports championship for the city of Anaheim Which Roller Hockey International team owner posed for Playboy Which RHI team's logo did Sports Illustrated describe as looking like a malevolent vacuum cleaner attachment Which coach won two championships for two different teams in RHI's first two seasons Why were fans nearly ejected from the Oakland Skates arena for celebrating a hat trick All those questions and more are answered in *Wheelers Dealers Pucks Bucks A Rocking History of Roller Hockey International* Author Richard Graham takes you behind the scenes to show how Dennis Murphy created Roller Hockey International and why Murphy might be the most unlikely least known and most influential visionary in North American professional sports history Despite his rather leprechaun like stature Murph had tall dreams a gift of gab and the ability to bring together a diverse group of people to work toward a common goal After seeing some children playing hockey on inline skates on a suburban street Murphy was inspired to create a professional league that ran from 1993 1999 and which soared and then crashed much like the inline skating craze of the 1990s What's best about this book however are the stories that Graham has collected from the league's founders team owners players administrators referees and fans You will alternately be amused and astounded by some of the hilarious events player pranks episodes of shortsightedness shown by some of the league's founders and team owners the controversy over the league's puck and more Particularly moving are the stories of players whose dreams of playing professional sports came true in Roller Hockey International Full of thrills spills and body checks along with an abundance of humor *Wheelers Dealers Pucks Bucks* is the story of a niche sport and a professional league that dared to dream big With its hundreds of stories about players coaches managers team owners and league administrators Graham's book is similar in scope and depth to *Loose Balls* Terry Pluto's classic about the American Basketball and as funny as Jim Bouton's *Ball Four* but not as mean *Wheelers Dealers Pucks Bucks* chronicles the fastest rise and fall of any sports league in modern history and countless hours of research interviews and off the record conversations have paid off for Mr Graham and the reader We meet the wheelers the players most of who were minor league ice hockey journeymen These players were propelled by a new sport to take center stage at major NBA and NHL arenas during the summer months fulfilling their dreams of fame and not so much fortune Next are the dealers like Dennis Murphy with connections so strong he could gather the top 10 sports moguls in a room with a single phone call The disappointing saga of the puck specifically designed for roller hockey which was counted on to supply the bucks to bankroll the league imagine if the NBA earned a royalty for every basketball sold in the entire world is a lesson that even today's big league commissioners should heed All sports fans and especially those who want to understand the operations of a league and its teams will benefit from this book

Wheeler Dealers Pucks Bucks A Rocking History of Roller Hockey International recounts the six crazy seasons of Roller Hockey International and could well become the next great sports movie featuring characters even the greatest scriptwriters couldn't create The foreword was written by Jeanie Buss a former Roller Hockey International team owner and a current executive vice president for the 16 time NBA Champion Los Angeles Lakers For wild action both on and off the playing surface humor and the true story of Roller Hockey International Wheeler Dealers Pucks Bucks can't be touched with a 10 foot long hockey stick *Roller Hockey* Greg Siller,1995 **Roller Hockey** Greg Siller,1997 Anyone interested in roller hockey will find a complete guide to the game in this book from fundamentals to advanced techniques from rules to equipment as well as practical insights based on the author's own experiences in both ice hockey and roller hockey Photos diagrams charts **The Billboard** ,1926 **Wheeler, Dealers, Pucks & Bucks: A Rocking History of Roller Hockey International** Richard Neil Graham,2012-03 Who won the first professional sports championship for the city of Anaheim Which Roller Hockey International team owner posed for Playboy Which RHI team's logo did Sports Illustrated describe as looking like a malevolent vacuum cleaner attachment Which coach won two championships for two different teams in RHI's first two seasons Why were fans nearly ejected from the Oakland Skates arena for celebrating a hat trick All those questions and more are answered in Wheeler Dealers Pucks Bucks A Rocking History of Roller Hockey International Author Richard Graham takes you behind the scenes to show how Dennis Murphy created Roller Hockey International and why Murphy might be the most unlikely least known and most influential visionary in North American professional sports history RHI was a professional league that ran from 1993 1999 and soared and then crashed much like the inline skating craze of the 1990s Full of thrills spills and body checks along with an abundance of humor Wheeler Dealers Pucks Bucks is the story of a niche sport and a professional league that dared to dream big **Cheapskates** Salvatore Rivela,2022-12-14 Cheapskates From Pip squeak to the NHL Almost is basically a story of my hockey life From when I was seven years old all the way up to last week and everything in between The different types of hockey games I played and what was going on in my life at the time When I couldn't play anymore I came across an aspect of the game in a different capacity that I have loved for so many years now It truly is a wonderful sport and I'm glad that I've been a part of it for almost fifty years now We Did Everything But Win George Grimm,2017-09-05 We Did Everything But Win An Oral History of the Emile Francis Era New York Rangers 1964 1976 is an entertaining account of one of the most exciting and unforgettable periods in the history of the Broadway Blueshirts as told by Francis as well as several of his players George Grimm chronicles each season of the Francis era when The Cat transformed them from perennial league doormats to a team that made it to the Stanley Cup playoffs for nine consecutive seasons including a Finals appearance in 1972 There are also chapters detailing Emile's playing career and his hiring as general manager as well as the aftermath of his dismissal and an analysis of his tenure behind the bench and as GM It was during those years that the National Hockey League doubled in size and the Rangers moved into a brand new Madison
