Winter Evening Tales:

Winter Evening Tales James Hogg,1871 **Winter Evening Tales** Amelia Edith Huddleston Barr,2018-07 Winter Evening Tales by Amelia Edith Huddleston Barr Part I Gold may be dear bought A narrow street with dreadful wynds and vennels running back from it was the High street of Glasgow at the time my story opens And yet though dirty noisy and overcrowded with sin and suffering a flavor of old time royalty and romance lingered amid its vulgar surroundings and midway of its squalid length a quaint brown frontage kept behind it noble halls of learning and pleasant old courts full of the air of still delightful studies From this building came out two young men in academic costume One of them set his face dourly against the clammy fog and drizzling rain breathing it boldly as if it was the balmiest oxygen the other shuddering drew his scarlet toga around him and said mournfully Ech Davie the High street is an ill furlong on the de il s road I never tread it but I think o the weary weary miles atween it and Eden There is no road without its bad league Willie and the High street has its compensations its prison for ill doers its learned college and its holy High Kirk I am one of St Mungo s bairns and I m not above preaching for my saint We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience Winter Evening Tales Amelia Edith Barr,2015-09-12 Winter Evening Tales **Winter Evening Tales** Amelia E. Barr,2006-08 There are few writers of the present day whose genius has such a luminous quality and the spell of whose fancy carries us along so delightfully on its magic current In these Tales each a perfect gem of romance in an artistic setting the author has touched many phases of human nature Some of the stories in the collection sparkle with the spirit of mirth others give glimpses of the sadder side of life **Winter Evening Tales** James Hogg,1900 **Winter Evening Tales** James Hogg,2023-07-18 A collection of traditional Scottish folktales and ghost stories recorded by the author during his travels through rural Scotland in the early nineteenth century This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge

alive and relevant **Winter Evening Tales (Classic Reprint)** Amelia Edith Huddleston Barr,2015-07-10 Excerpt from Winter Evening Tales In these Tales as in many of her other works humble life has held a strong attraction for Mrs Barr s pen Her mind and heart naturally turn in this direction and although her wonderful talent within its wide range deals with all stations and conditions of life she has but little relish for the gilded artificialities of society and a strong love for those whose condition makes life for them something real and earnest and definite of purpose For this reason among many others the Christian people of America have a hearty admiration for Mrs Barr and her work knowing it to be not only of surpassing human interest but spiritually helpful and inspiring with an influence that makes for morality and good living in the highest sense in which a Christian understands the term About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Winter Evening Tales, Collected**

Among the Cottagers in the South of Scotland, Vol. 1 of 2 (Classic Reprint) James Hogg,2017-10-28 Excerpt from Winter Evening Tales Collected Among the Cottagers in the South of Scotland Vol 1 of 2 At fourteen years of age I was by my own choice bound apprentice to a joiner in the neighbourhood with whom I was obliged to serve out my time much against my will fori deemed myself master of the craft and much superior to my teacher before half my time was expired After I had strug gled through it I went home My father hinted to me that I ought to take the wages my late master offered me to continue with him until something better should be found But this I slighted with high disdain declaring that I would go to London or America before I accepted of less than double the sum proposed and that at any rate was I never to learn any thing better than making a plough or cart wheel About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Long Pack. Winter Evening Tales, Collected Among the Cottagers in the South of Scotland, Vol. 1 of 2 James Hogg,2015-06-25 Excerpt from Winter Evening Tales Collected Among the Cottagers in the South of Scotland Vol 1 of 2 I have for these twenty years been convinced of the truth of the proverb that a fool can best teach a wise man wit and that it is in fact on the egregious misconduct of the thoughtless and

foolish part of mankind that the wise and prudent calculate for their success and from these that they take their lessons of perseverance and good management It is on this principle that the following sheets are indited that others may be warned from the rock on which I have split I therefore conceal nothing but relate uniformly the simple truth though manifestly to my disadvantage I have not written my life as a model to be copied but as one to be avoided and may those who laugh at my inconsistencies learn from them to steer a different course There is one great evil under the sun from which if youth is not warned their success in life will be frustrated and their old age without comfort and without respect From it my misfortunes are all to be traced and from it I am suffering at this day I look back on the days that are past and am grieved I can now see all my incongruities and wonder at my inadvertency in not being able to correct them About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
