

Winter Quarters

Great Britain. Public Record Office

Winter Quarters:

Public Documents ,1901 Subject Catalogue United States. War Dept. Library,1897 **Mormons at the Missouri** Richard Edmond Bennett,2004 The Mormon trek westward from Illinois to the Salt Lake Valley was an enduring accomplishment of American overland trail migration however their wintering at the Missouri River near present day Omaha was a feat of faith and perseverance Richard E Bennett presents new facts and ideas that challenge old assumptions particularly that life on the frontier encouraged American individualism With an excellent command of primary sources Bennett assesses the role of women in a pioneer society and the Mormon strategies for survival in a harsh environment as they planned their emigration coped with internal dissension and Indian agents and dealt with tribes of the region This was says Bennett Mormonism in the raw on the way to what it would be later Now available in paperback for the first time with a new introduction by the author **Mormons at the Missouri** received the Francis M and Emily Chipman Award from the Mormon History Association and was honored as a Choice Outstanding Academic Title by the American Library Association

History of Winter Quarters, Nebraska, 1846-1848 Ernest Widtsoe Shumway,1953 *Bulletin* University of Colorado Boulder,1925 **Hunger and the Sword** Paul Erdkamp,2023-01-16 Roman wars like those of later times took place in a landscape a landscape not only consisting of mountains plains and rivers but also of men tilling the soil travelling across sea or land or employing other means in their struggle for survival and even happiness This book undertakes to examine Roman wars in this context of the natural and human environment Roman warfare is generally examined from the vierpoint of the ancient authors on whose narratives our understanding depends As a consequence however Roman wars seem to have become events that took place on the pages of a book rather than in the environment of the Mediterranean world The way Roman wars were fought was determined by the geography and climate of the Mediterranean peninsulas by the ecological restraints on agriculture and transport and by the economic and social structures of the society of which the armies were a significant part This book relates warfare to one of the main conditions of survival it examines on the one hand the food supply of the many thousands that manned the Roman armies and on the other the impact of war on the food supply of those people not waging war *List of the Photographs and Photographic Negatives Relating to the War for the Union* United States. War Department. Library,1897 **Mr. Cobb, of Missouri, from the Committee on War Claims, Submitted the Following Report: [To Accompany H. R. 9195.]** ,1892 *Washington Papers* ,1915 **Public Documents** Utah,1913

Geological Survey Professional Paper ,1976 **Annual Register** University of Chicago,1905 **ERTS-I** Richard S. Williams,1976 An evaluation of semiquantitative data used in the determination of trace element distribution and abundances in marine sediments *Bulletin ...* Utah. Department of Public Instruction,1899 **Circular** ,1906 **My Own Pioneers 1830-1918** Kathryn J. Kappler,2015-01-29 The three volumes of My Own Pioneers together tell a remarkable story of the desperate pioneer struggles of four generations of the author s family Although the memorable historical journey begins

seven generations ago these three volumes of stories focus on four important pioneer generation They are the culmination of fifteen years of painstaking research as the author carefully reconstructs her family s pioneer struggles from before 1830 to 1918 using information from family records journals memoirs histories and letters supplemented by accounts from their pioneer companions and by Church and other official records Volume I tells about the author s once prosperous pioneer families survived the French and Indian War and the War of 1812 then eventually relocated to join the newly founded Mormon Church The stories tell how the pressure of mobs and mob wars eventually forced these families to abandon everything as they were driven from place to place until they found themselves exiled on the western most border of the United States at the Missouri River looking toward the wild and hostile West as their only refuge Stories describe how dozens of family members were among the Mormon refugees who died by the hundreds at the Missouri River of illness starvation and exposure Yet family members had managed to journey among Indians on the frontier to preach and had sailed through nearly catastrophic ocean storms to preach in England And despite much sorrow and hardship this volume relates how five family members left their loved ones behind at the sickly Missouri River in order to march down the Old Santa Fe Trail in the U S Army s Mormon Battalion to prove their loyalty to the government by helping to fight a war with Mexico
