Meet Tom Longboat Elizabeth MacLeod,2019 **King Con** Paul Willetts,2018-08-07 The spellbinding tale of hustler Edgar Laplante the king of Jazz Age con artists who becomes the victim of his own dangerous game Edgar Laplante was a smalltime grifter an erstwhile vaudeville performer and an unabashed charmer But after years of playing thankless gigs and traveling with medicine shows he decided to undertake the most demanding and bravura performance of his life In the fall of 1917 Laplante reinvented himself as Chief White Elk war hero sports star civil rights campaigner Cherokee nation leader and total fraud Under the pretenses of raising money for

struggling Native American reservations Laplante dressed in buckskins and a feathered headdress and traveled throughout the American West narrowly escaping exposure and arrest each time he left town When the heat became too much he embarked upon a lucrative continent hopping tour that attracted even more enormous crowds his cons growing in proportion to the adulation of his audience As he moved through Europe he spied his biggest mark on the Riviera a prodigiously rich Hungarian countess who was instantly smitten with the con man The countess bankrolled a lavish trip through Italy that made Laplante a darling of the Mussolini regime and a worldwide celebrity soaring to unimaginable heights on the wings of his lies But then at the pinnacle of his improbable success Laplante s overreaching threatened to destroy him In King Con Paul Willetts brings this previously untold story to life in all its surprising absurdity showing us how our tremendous capacity for belief and our longstanding obsession with celebrity can make fools of us all and proving that sometimes truth is stranger than fiction

Tom Longboat Bruce Kidd,2004 From the rural back roads near his home on the Six Nations Reserve to the track of a crowd packed Madison Square Garden Tom Longboat raced his way to fame as the greatest distance runner Canada has even known The tall Onondaga athlete captured the hearts of racing fans everywhere during the early years of the twentieth century He was a courageous competitor and served his country during World War I as a dispatch runner taking messages from post to post under difficult and dangerous conditions Longboat s amazing career as world champion long distance runner included spectacular races in Canada the 1907 Boston Marathon the 1908 Olympic Marathon and many one on one races with the world s top professional runners Thousands would gather to watch the famous Canadian shatter records Yet for all his fame and excellence Tom Longboat had to struggle against the vicious racism of his age In his biography of Longboat long distance runner Bruce Kidd gives an insider s view of the life of a great athlete in the context of Canadian social history

'Critical Support' for Sport Bruce Kidd,2017-07-05 During more than forty years Bruce Kidd has combined careers as an internationally ranked athlete coach sports administrator professor and dean with critical scholarly and popular writing about sport often on the issues in which he has been directly involved Frequently called the conscience of Canadian sport he defines his perspective as that of critical support while he can be savage about the inequalities and abuses of power in contemporary sport he seeks to reform sports so that many more people can enjoy their potential benefits This book provides a sampling of Professor Kidds scholarly writing The issue begins with Kidds reflection on the ways in which sport is constituted by society and a lifetime of simultaneous scholarship and intervention The rest of the issue is organized around three themes the Canadian sport system the Olympic Movement and his recovery projects historical writing that brought long

forgotten earlier initiatives and episodes back into public understanding In each case Kidd provides a brief introduction of 1000 1500 words that sets the context for the original article and provides an update on the subject matter This book was previously published as a special issue of Sport in Society *Hidden in Plain Sight* Daniel J. Voyageur, David Newhouse, Dan Beavon, 2005-08-20 The history of Aboriginal people in Canada taught in schools and depicted in the media tends to focus on Aboriginal displacement from native lands and the consequent social and cultural disruptions they have endured Collectively they are portrayed as passive victims of European colonization and government policy and even when well intentioned these depictions are demeaning and do little to truly represent the role Aboriginal peoples have played in Canadian life *Hidden in Plain Sight* adds another dimension to the story showing the extraordinary contributions Aboriginal peoples have made and continue to make to the Canadian experience

From treaties to contemporary arts and literatures Aboriginal peoples have helped to define Canada and have worked to secure a place of their own making in Canadian culture For this volume editors David R Newhouse Cora J Voyageur and Daniel J K Beavon have brought together leading scholars and other impassioned voices and together they give full treatment to the Aboriginal contribution to Canada s intellectual political economic social historic and cultural landscapes Included are profiles of several leading figures such as actor Chief Dan George artist Norval Morrisseau author Tomson Highway activist Anna Mae Pictou Aquash and politician Phil Fontaine among others Canada simply would not be what it is today without these contributions The first of two volumes Hidden in Plain Sight is key to understanding and appreciating Canadian society and will be essential reading for generations to come
