Excerpt from *Random Recollections* Though no portions of the first and second editions of this work were on sale they were soon exhausted in supply ing calls on me for copies The requests in numerous news papers and letters that I would place the book where it could be purchased amounted almost to a rebuke for my not hav ing done this In compliance with this desire I have spent a few weeks in preparing a third edition which will be issued and sold by a book publishing house The new matter in this third edition makes the volume about two thirds larger than the second edition and about three times as large as the first This production is neither a history a biography nor an autobiography but is exactly what it professes to be namely some random recollections of the writer It will be well to read it from that point of View Such value as this draft on my memory may possess is mainly due to the fact that in describing events and men I have usually told only what I personally knew of them and perhaps better than all I have tried to stop when I was done About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Random Recollections* Richard Caton Woodville, 1914 A Few More Random Recollections Richard G.
