## **Somehow Poems:**

Somehow Burt Kimmelman, 2005 Poetry Kimmelman has previously published three collections of poetry including a collaboration with the painter Fred Caruso He teaches English at the New Jersey Institute of Technology and is the author of two book length literary critical studies Burt Kimmelman is a poet who obviously admires the clarity of classical Chinese poetry and strives for it in his tight syllabics and in his shifting images of light and dark In doing so he finds what is luminously transcendent in the routines of everyday life Harvey Shapiro *Somewhere, Sometime, Somehow* Jules Verne Orion, 2008-09-29 These poems and short stories are arranged in chronological order as they were inspired by a long term love affair and written from 1989 to 2007 For the perceptive reader one can trace the ups and downs of our relationship These 18 years were filled with love and passion Perhaps it was fantasy perhaps it was the most real thing we will ever experience These inspired poems were written mostly during the first ten years As it became obvious that my dream would never come true the inspiration dwindled and fewer poems were written in later years The heartbreaking part of this 18 year love affair is that I am not sure my lover ever really understood or appreciated my unconditional deep love for her I opened my heart to her through poetry but I never knew what was in her heart Perhaps it was a one sided love affair but I think and hope not I was convinced that she loved me through her words and actions At least I experienced a love that I had only dreamed possible Each image carefully placed in this book carries a very special meaning for the poem and for our love journey Even the clock photo carries a meaning related to the untimely death of US Each word is carefully chosen to convey my feelings While I tried to express my love in poetic words there was an enormous amount left unsaid I can only hope you find meaning and joy in the thoughts and feelings these words convey to you A fuller story of this passionate love affair will be unfolded in an upcoming book Somehow, Somewhere.
