Splendor Of Creation:

The Season of Creation Norman C. Habel, H. Paul Santmire, 2011-07 As the global climate crisis worsens many churches have sought to respond by instituting a movement to observe a liturgical season of creation Scholars who have pioneered the connections between biblical scholarship ecological theology liturgy and homiletics provide here a comprehensive resource for preaching and leading worship in this new season Included are theological and practical introductions to observance of the season biblical texts for its twelve Sundays in the three year lectionary cycle and astute commentary to help preachers and worship leaders guide their congregations into deeper connection with our imperiled planet Publisher description *The Watchtower*, 2004 [The Splendor of Creation](#) Rev. Joseph Iannuzzi, 2004-09-06

Resurgence, 2006 [Show Me Your Glory](#) Rebecca G. S. Idestrom, 2023-02-10 What does Scripture mean when it speaks of the glory of God The answer to this question is not as straightforward as we might think In *Show Me Your Glory* Rebecca Idestrom invites the reader on a journey to discover what the Old Testament teaches us about God's glory While exploring this biblical theme she examines various scriptural passages about the glory of the LORD within their larger narrative context in each biblical book She also considers the different key words used for glory as well as the many diverse images and themes connected to God's glory This thematic investigation demonstrates that the Old Testament Scriptures present a deeply profound and multifaceted portrait of the glory of God Although it is impossible to fully capture what the Bible says about God's majestic glory *Show Me Your Glory* yields many wonderful insights into its depiction meaning and significance resulting in a deep and rich biblical theology of divine glory [The Sum of All Hope](#) Tim C Hargrove, 2004-10-11 THE SUM OF ALL HOPE finally fulfills the hope of many people for a book which can effectively summarize the Bible in a quick easy and understandable format If you have trouble reading and understanding the Bible or if you have not had the time to read the Bible this book is for you This book breaks the Bible down into 62 summarizing events presented in the order they happen or will happen in the Bible From the very first act of creation to the great climatic events to come this book was written in a style to get the information into the reader's heart and mind It is fast moving written with as few words as possible but not fewer than needed Each sentence brings the reader face to face with the Bible's great truths With a clear and concise style THE SUM OF ALL HOPE presents a short and fast moving explanation of each event Scriptures are then presented to support the explanation of the event from a Biblical perspective Each section ends in a short summary of the event along with unique and haunting visual art that imprints the event into the reader's mind Understand the Bible and be prepared for the climatic events that are about to happen **The Anchor Bible**, 1987 [Notes to volumes 1 and 2: From the creation to the exodus](#) Louis Ginzberg, 1925 **American Ecclesiastical Review** Herman Joseph Heuser, 1932 [The Hymn](#), 2007 **Splendor of Creation: A Biblical Ecology** Ellen Bernstein, 2019-05-15 Many people see the environmental crisis as a spiritual one Author Ellen Bernstein sees the Book of Genesis as a guide to living peaceably with the Earth The

creation story according to Bernstein invites a deep appreciation of nature and may be the perfect muse for a world that is hungry for an integrated ecological vision. Written from a Jewish perspective, this book is both accessible and compelling to a broad audience as it explores Genesis 1 verse by verse, reflecting on the language that contributes to a holistic ecological vision.
