Split Level Love:

Love in Interpretation Bryant K. Owens,2019-02-28 Dr Bryant K Owens presents the argument of the value of the Christian tradition of caritas or love from the philosophy and the subsequent hermeneutic of Saint Augustine of Hippo 354 430 within contemporary philosophical scholarship Dr Owens s study of Augustine s investigations into biblical interpretation will reveal that he sought the beauty of understanding as evidenced through caritas The shift in the Western philosophical tradition during the Enlightenment period resulted in a solid break from authority based hermeneutics to the autonomy of the mind The result was a greater emphasis on the literal meaning of a text as gleaned from the subjective mind of the reader and through grammatical and historical criticism over the spiritual meaning of the text or application of the greater meaning to Christian living Dr Owens proposes that the benefits of Augustine s caritas as the a priori spirit of the biblical text and the proper application of that spirit in contemporary scholarship should be the epistemological focus of hermeneutics rather than the emphasis on method prevalent from Spinoza to Dilthey The concluding value from Augustine s hermeneutic is that caritas is a product of understanding while at the same time is the method or means by which caritas is produced Therefore Augustine s hermeneutic argues that the sense or spirit of Scripture is caritas and is the truth to which all Christian philosophy must cohere

Levenson,2024-06-25 This book begins by exploring the mysterious origins of an institution so familiar that most of us never wonder where it came from the seven day week Jon D Levenson then focuses on the historical development of the Jewish Sabbath and the rich range of theological and ethical meanings it has acquired over the centuries Levenson evaluates the theory that the Hebrew word *shabbat* derives from Akkadian and that the Sabbath may have begun as a day of ill omen only later to be reinterpreted as the joyous festival that consummates the seven day week He explores the quasi magical character of the number seven in ancient Near Eastern and Mediterranean compositions and examines the revealing variation of the Sabbath commandment between the two biblical versions of the Decalogue in Exodus and Deuteronomy He also treats sabbatical law in the Second Temple and rabbinic periods critiquing contemporary efforts to extract a spirituality from the Sabbath that is divorced from larger questions of communal identity normative practice and religious affirmation Levenson concludes by discussing modern challenges to Sabbath observance and the surprising prospects for its continuation Written by an eminent scholar in the field this sophisticated inquiry bridges the gap between studies that explore the spiritual meaning of Jewish Sabbath observance and those that focus strictly on the history of the tradition It will appeal to a wide audience of academics and lay readers Billboard ,1968-02-24 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Atomic Love Joe David Bellamy,1993 *Catalog of Copyright Entries* Library of Congress.
