**Caught** Emma Shelford, 2019-09-06 Marine biologist Corrie Duval has so many questions about the strange fish she found Unfortunately her results aren't giving her clear answers and her professor is growing suspicious about her late night analyses and secretive manner Zeballos Artino still searches for his own answers but he's not the only one Someone is following his boat and if Zeb won't tell them what he knows about the strange fish and its bizarre effects they will make him talk Corrie and Zeb fall deeper into a world of cut throat henchmen and scheming tycoons who are on the hunt for the same thing they are mysterious creatures in the sea *Adventurers of the Night* George A. Birmingham, 1921 [Nautilus Legends, books 1-3](#) Emma Shelford, 2020-08-05 Sea monsters have no place in modern science Try telling them that Corrie loves being a marine biologist even if research money is a constant struggle But studying sea anemones isn't as ground breaking as the mermaid she saw She can't tell anyone one slip of her overactive tongue and Corrie's career would tank faster than a submarine When mysterious free diver Zeballos offers her his ship to collect samples cash strapped Corrie eagerly sets sail A bizarre fish jumps over the bow hinting at answers to Corrie's

tantalizing questions but she's not the only hunter A desperate drug dealer is hellbent on exploiting the rare sea creatures and he'll do anything to stop Corrie from stealing his product Together Corrie and Zeballos navigate dangerous waters dodge ruthless fishermen and dive into uncharted worlds The further they go the deeper the mysteries If they don't stop the drug dealer then neither Corrie nor Zeballos will get the answers they both desperately seek In the end it may not matter who finds the elusive fish Because disturbed nightmares hunt from the depths below Read the first three books of the Nautilus Legends a twist on your favorite myths of mermaids sirens the Kraken and many more Fans of Clara Coulson BR Kingsolver and Linsey Hall will love this adventurous urban fantasy with a salty flavor
