**The Book of Merlin** Margaret Doner, 2021-11-23 The Book of Merlin continues the epic saga of the battle between good and evil first begun in Doner s book Merlin s War The Battle between the Family of Light and the Family of Dark From the origin of the angels to the creation of the dragon race to the humans Atum and Eve in paradise and the fall of Atlantis Merlin illuminates these stories and places them into a comprehensible framework For the first time Merlin explains the origins of the demonic race through the fallen angel Lilith and how darkness re entered the Earth after the Great Flood Merlin also talks about his boots on the ground incarnations and how his energy has been sent through various human beings to assist in the uplifting of the human race Present day dilemmas and the options for solving the myriad of problems facing humanity are also explored And finally a look at the future potential possibilities for both the Earth and humanity are considered As always Merlin empowers the reader to think for themselves and to consider their

impact on others and Mother Earth as mastery requires self reflection      **Creating an Authentic Platform and Transcending the Lower Matrix** Margaret Doner,2016-07-08 What does it mean to build an authentic platform and transcend the lower matrix Those of you who have already started the journey toward self awareness might answer quickly feeling confident that you know the answer Others of you might hesitate Enlightenment is a journey not a destination Growth happens Beliefs come and go to be replaced by newer ideas and concepts Being rigid is easy but being fluid open flexible awake and aware requires tremendous emotional spiritual and mental strength and courage The true Seeker welcomes the challenge of new ideas and knows that the experience is the gift This book is designed to challenge and expand your ideas about yourself and your world I call it a manual for the graduating class because when the soul reaches the mature or old soul age it realizes that it is time to prepare for the journey back Home The reintegration of our many selves strewn by reincarnation through time space is an important step in the re empowering of the present day self Through the process of conscious soul retrieval we create a new authentic platform and learn to trust the self      Türkiye bibliyografyası ,1966
