Something Of Value:

Something of Value Robert Chester Ruark, 1968 *The Palgrave Handbook of Applied Ethics and the Criminal Law* Larry Alexander, Kimberly Kessler Ferzan, 2019-12-02 This handbook consists of essays on contemporary issues in criminal law and their theoretical underpinnings Some of the essays deal with the relationship between morality and criminalization Others deal with criminalization in the context of specific crimes such as fraud blackmail and revenge pornography The contributors also address questions of responsible agency such as the effects of addiction or insanity and some deal with punishment its mode and severity and the justness of the state's imposition of it These chapters are authored by some of the most distinguished scholars in the fields of applied ethics criminal law and jurisprudence

The Law of Construction Disputes Cyril Chern, 2013-11-07 The Law of Construction Disputes covers the construction dispute process by analysing the main areas that can lead to disputes and how to effectively deal with them once they have arisen The book combines theory and practice along with exact excerpts of the leading case decisions covering the entire spectrum of construction law and the disputes that arise

Aesthetics and the Philosophy of Art Robert Stecker, 2010-02-16 Praised in its original edition for its up to date rigorous presentation of current debates and for the clarity of its presentation Robert Stecker's new edition of Aesthetics and the Philosophy of Art preserves the major themes and conclusions of the original while expanding its content providing new features and enhancing accessibility Stecker introduces students to the history and evolution of aesthetics and also makes an important distinction between aesthetics and philosophy of art While aesthetics is the study of value philosophy of art deals with a much wider array of questions including issues in metaphysics epistemology the philosophy of mind as well value theory Described as a remarkably unified introduction to many contemporary debates in aesthetics and the philosophy of art Stecker specializes in sympathetically laying bare the play of argument that emerges as competing views on a topic engage each other This book does not simply present a controversy in its current state of play but instead demonstrates a philosophical mind at work helping to advance the issue toward a solution

Collected Works (12+ illustrated edition) of Karl Marx: Capital, The Communist Manifesto, Critique of Hegel's Philosophy of Right Karl Marx, 2021-01-08 Karl Heinrich Marx was a German philosopher economist historian sociologist political theorist journalist and socialist revolutionary It is hard to think of many who have had as much influence in the creation of the modern world In addition to his overtly philosophical early work his later writings have many points of contact with contemporary philosophical debates especially in the philosophy of history and the social sciences and in moral and political philosophy Historical materialism Marx's theory of history is centered around the idea that forms of society rise and fall as they further and then impede the development of human productive power Marx's economic analysis of capitalism is based on his version of the labour theory of value and includes the analysis of capitalist profit as the extraction of surplus value from the exploited proletariat Marx sees the historical process as proceeding through a necessary series of modes of production characterized
