## **Taking Power:**

*Change the World Without Taking Power* John Holloway, 2010-09-06 The wave of political demonstrations since the Battle of Seattle in 2001 have crystallised a new trend in left wing politics Modern protest movements are grounding their actions in both Marxism and Anarchism fighting for radical social change in terms that have nothing to do with the taking of state power This is in clear opposition to the traditional Marxist theory of revolution which centres on the overthrow of government In this book John Holloway asks how we can reformulate our understanding of revolution as the struggle against power not for power After a century of failed attempts by revolutionary and reformist movements to bring about radical social change the concept of revolution itself is in crisis John Holloway opens up the theoretical debate reposing some of the basic concepts of Marxism in a critical development of the subversive Marxist tradition represented by Adorno Bloch and Lukacs amongst others and grounded in a rethinking of Marx s concept of fetishisation how doing is transformed into being
