The Pinter Problem Austin E. Quigley,1992 *The Pinter Problem* /Austin E. Quigley ,1975 **The Pinter Problem** Austin E. Quigley,1975 The Pinter Ethic Penelope Prentice,2002-05-03 First published in 2000 Routledge is an imprint of Taylor Francis an informa company **Pinter Problem** Austin E. Quigley,2015-03-08 In spite of steady growth in popularity Pinter s plays have continued to elude adequate critical appraisal Considering the last decade s scholarship Austin E Quigley attributes the impasse in Pinter criticism to the failure of Pinter s readers to appreciate the diversity of ways in which language can transmit information This explanation places recent commentaries in a new light and enables the author to take a fresh approach to the plays themselves Originally published in 1975 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 The Language of Silence Leslie Kane,1984 Examining the plays of Maeterlinck Chekhov Jean Jacques Bernard Pinter Albee and Beckett this critical study exhibits the eloquence with which silence and inarticulateness portray the experience of inadequacy incompleteness impermanence and uncertainty in early twentieth century drama Moving on to post World War II drama the author explores the use of noneloquent speech and silence to convey the alienation and isolation engendered by the rise of political humanity **Harold Pinter's The Dumb Waiter** Mary F. Brewer,2009 This collection of essays focuses on one of Harold Pinter s most popular and challenging plays The Dumb Waiter while addressing also a range of significant issues current in Pinter studies and which are applicable beyond this play The interesting and provocative dialogues between established and emerging scholars featured here provide close readings of The Dumb Waiter within relevant cultural and historical contexts and from a range of theoretical perspectives The essays range over issues of autobiography and theater genre studies and the impact of Pinter s political activism on his dramatic production among others The collection is also concerned with the meaning of the play when assessed against other example s of Pinter s work both dramatic and non dramatic writing Each contributor shows a gift for presenting a complex argument in an accessible style making this book an important resource for a wide range of readers from undergraduates to postgraduates and specialist researchers The collection offers essays that approach The Dumb Waiter from an interdisciplinary perspective and as both a literary and dramatic text Thus the book should be of equal significance to those encountering Pinter within the context of English Studies drama and performance **In Defence of Literary Interpretation** Ken M Newton,1986-10-29 *The Vital Lie* Anthony S. Abbott,2003-08-08 The Vital Lie is the first book to examine the reality illusion conflict in modern drama from Ibsen to present day playwrights The book questions why vital lies lies necessary for life itself are such an obsessive concern

for playwrights of the last hundred years Using the work of fifteen playwrights Abbott seeks to discover if modern playwrights treat illusions as helpful or necessary to life or as signals of sicknesses from which human beings need to be cured What happens to characters when they are forced to face the truth about themselves and their worlds without the protection of their illusions The author develops a three part historical analysis of the use of the reality illusion theme from its origins as a metaphysical search to its current elaborations as a theatrical game *Decisions and Orders of the National Labor Relations Board* United States. National Labor Relations Board,1982 **Twentieth-century Drama Dialogue as Ordinary Talk** Susan Mandala,2007-01-01 This book investigates four modern plays Harold Pinter s *The Homecoming* Arnold Wesker s *Roots* Terence Rattigan s *In Praise of Love* and Alan Ayckbourn s *Just Between Ourselves* and shows how the dialogue of each works with respect to ordinary conversation By considering both linguistic and literary perspectives this work extends the boundaries of traditional criticism and demonstrates how the linguistic study of talk can contribute to our understanding of drama dialogue **Sense and System(s)** Luc Maurice Gilleman,1995 *Journal of Dramatic Theory and Criticism* ,1986 *The Publishers Weekly* ,1917 **The Reality of the Theater Event** David Z. Saltz,1992
