Grademaker Study Guide, Marketing, 7th Edition Susan Peterson,2004 Computers in Libraries ,2005 **Cti Higher Edn** Cengage Learning Australia,Thomson Course Technology,2001-12 The Principal Gerald C. Ubben,Larry W. Hughes,Cynthia J. Norris,2007 This text is organized around the ELCC Standards and provides a bridge from the theory of school administration to the practical problem solving in which school principals and other leaders engage The Principal is organized into four parts centered on the seven Educational Leadership Constituent Council ELCC Standards developed specifically for school leaders Each of the four major parts of the book is framed with one or two of the Standards as its major theme Now in its sixth edition this text continues to be based on research indicating linkages between educational leadership and productive schools especially in terms of outcomes for children It supports the understanding that formal leadership in schools is a complex multi faceted task that requires continual learning and that effective school leaders must be strong educators focused on the central issues of learning teaching and school improvement School leaders must also be moral agents and social advocates for the children and communities they serve while working with community stakeholders to create learning communities that value and care for others as individuals and as members of the educational community
