The Ring of Remembrance J.D. Hilton,2018-06-18 Memory is an important facet of all our lives If we lose these packages of pain and pleasure called memory that are so instrumental in establishing our humanity then we lose the essence of who we are That is what has happened to the dark hearted Killer described in this story who is out there now Have you ever been at a location and wished you could witness and experience the events that happened in that space in the past The Killer chronicled herein has that power The Ring of Remembrance is the contemporary story of this ruthless murderer with an unbridled mind who by harnessing supernatural forces and the powers of his mysterious ring for the past thirty years has stalked the darkness of Christmas night slaughtering one family per year Throughout the past three decades everyone who has ever trailed the fiend has either been murdered or driven insane The FBI has squashed media coverage convincing the public that the horrors are over but this

Christmas the truth is revealed and FBI special agent Justinian Rooks having just sealed his first big case is summoned by the director to take on a new investigation As the Killer begins to break his signature one piece of evidence just may have the best chance ever of bringing the monster to justice the Ring of Remembrance **The Other Side of the Fence** Sheila L. premature baby while also caring for his wife's sudden and harrowing predicament. Alternating the reins of narration, Dewey and Judith each clarify their side of what they say really happened. Along the way, Marlow keeps tightening the suspense until the macabre puzzle comes together in a hair-raising finale. **SURREAL ESTATE** is an unsettling, darkly comic tale full of startling secrets and never-racking surprises. *AA Files*, 2006. Editor & Publisher, 1930. The fourth estate. *Surreal Estate*. Sugar M, 2019-03-19. Terri sat among twenty other people desiring to become real estate agents at Florida School of Real Estate. It was their first day of class. Students ranged from 18 to 65 years old. To Terri's right sat Ray. He had a gold incisor and a bald, tattooed head. He offered Terri Adderall at a really good price. To Terri's left sat an older man wearing shorts and a t-shirt. His arms here and there were wrapped in gauze. Terri steadily inched away from him. Ray jiggled his little bag of Adderall at her. The three women seated in front of Terri were dressed for tennis and drenched in perfume dense enough to taste. The teacher arrived. He made a general announcement: not to park in the faculty parking spaces or we'd be towed off, and if any of us were felons, we were ineligible to take this licensing course. Felons. How many felons could there be in one random real estate class? Turns out seven, which is how many people got up and left. Including one of the scented tennis players. Terri remained seated with the non-felonious, thinking this is surreal. She just didn't know how surreal until she listed an iconic Palm Beach mansion and discovered Mar-a-Lago wasn't the only greed and corruption-filled estate on the block.
