

# The Making of Totally OREGON

*"...we were now about to penetrate a country at least 2,000 miles in width, on which the foot of civilized man has never trodden; the good or evil it had in store for us was for experiment yet to determine."*

*Similar to the feelings expressed by Meriwether Lewis in 1804, Oregon Field Productions set out on a journey in January of 1987 to create family-friendly information that we know that we were undertaking an enormous project that had never been attempted in such detail. Our task throughout the year was repeated in the words of Lewis as he arrived at the Platte for their expedition across the continent to the Northwest coast--1804.*

*On November 15, 1805, Lewis and Clark made it.*

*And, in 1989, Oregon Field Productions made it.*

*In March of 1986, the Lewis and Clark expedition was only too happy to leave the Pacific Northwest to begin their journey back to St. Louis, never to return. In fact, we know that we were undertaking an enormous project that had never been attempted in such detail. Our task throughout the year was repeated in the words of Lewis as he arrived at the Platte for their expedition across the continent to the Northwest coast--1804.*

*Oregon Field Productions was faced with modern-time's challenges of deadlines, working capital, "can't be done" responses by others, equipment and other. Our adventures were challenged by the weather, sickness, desertions and thievery, yet they accomplished their mission.*

*Oregon Field Productions was faced with modern-time's challenges of deadlines, working capital, "can't be done" responses by others, equipment and other. Our adventures were challenged by the weather, sickness, desertions and thievery, yet they accomplished their mission--and we are here to stay.*

*Prospective tourists, outdoor enthusiasts, photography buffs, history seekers, newcomers, and even the people who live in Oregon, are constantly seeking information about places to visit, sights to see and things to do in the Pacific wonderland... Oregon.*

*Phone calls and letters to chambers of commerce, travel bureaus, friends and relatives and a variety of other sources can generate an avalanche of information about the great state of Oregon.*

*Folks are astonished to learn that there is more to Oregon than "cowboys and Indians, lumberjacks, tales of Bigfoot and Old Cooper and rain..."*

*Beachcombing the ocean shores; trekking along the Pacific Crest Trail in the Cascades; pursuing the elusive big game of the Willows; watching Shakespeare come alive in Ashland; gazing at the beauty of Wizard Island piercing the deep blue waters of America's deepest lake, Crater Lake; battling trophy catches in lakes like Paulina, Diamond or Detroit; or braving the waters of the mighty Rogue--all this and more, much more, is commonplace in the land of natural beauty and opportunity--the land we call Oregon!*

*The constant demand for information about Oregon highlights the need for a comprehensive, yet attractive, source that tells the story about the places to visit, the sights to see, and the things to do in Oregon-- information about the People, Places, and Products that make Oregon...Oregon.*

**The result-- Totally OREGON.**
