Touching Second

JOHN J. EVERS and HUGH S. FULLERTON

SERIES EDITORS Gary Mitchem and Mark Durr

Touching Second

JE Gale

Touching Second:

Touching Second John J. Evers, Hugh S. Fullerton, 2005-01-13 Johnny Evers was widely considered the brainiest ballplayer of his day and along with Ty Cobb one of the most guileful and cantankerous He and Joe Tinker two thirds of the famous double play combination battled each other nearly as viciously and as often as they did their opponents One of the great practitioners of the inside game Evers was quick to pick up on the unwatched for advantage that might upend his opponent and propel his team to victory In 1910 s *Touching Second* Evers and sports writing great Hugh Fullerton describe the game as it was played during the first decade of the 20th century With an emphasis on what Evers saw as baseball s development into an exact mathematical sport he describes the great plays and players shares anecdotes and incidents of decisive struggles on the diamond and discusses the signs and systems used by championship teams

Baseball's Greatest Comeback J. Brian Ross, 2014-08-07 In 1914 the Boston Braves experienced the greatest come from behind season in baseball history A perennially woeful team the Braves rose from the ashes of last place fifteen games behind on July 4th to battle in the World Series against the Philadelphia Athletics one of the most dominant teams of all time Baseball fans witnessed one of sport s most spectacular comebacks and Boston s National League team earned a new designation The Miracle Braves Baseball s Greatest Comeback The Miracle Braves of 1914 follows the Boston Braves through this rollercoaster year from their miserable start to their inspiring finish A collection of likeable determined and highly unconventional ballplayers the Braves endeared themselves to fans who rooted enthusiastically for the team Sitting in last place midway through the season the youthful group of castoffs and misfits many of whom had been rejected by other major league teams followed the lead of Walter Rabbit Maranville Johnny The Crab Evers and George Big Daddy Stallings to turn things around The Braves battled their way up the standings finishing the second half of the season with a miraculous 52 and 14 record They went on to defeat John McGraw s powerful New York Giants for the pennant and found themselves face to face with the talented Philadelphia Athletics in the World Series On the 100th anniversary of this memorable season the 1914 Boston Braves are still remembered as one of the greatest comeback teams in baseball history Full of timeless images and memorable characters including a fanatically superstitious manager a cheerfully madcap star and an obsessively driven yet highly sensitive captain this book will inform and entertain baseball fans and sports historians alike

Stealing Games Maury Klein, 2016-03-22 The 1911 New York Giants stole an astonishing 347 bases a record that still stands more than a century later That alone makes them special in baseball history but as Maury Klein relates in *Stealing Games* they also embodied a rapidly changing America on the cusp of a faster more frenetic pace of life dominated by machines technology and urban culture Baseball too was evolving from the dead ball to the live ball era the cork centered ball was introduced in 1910 and structurally changed not only the outcome of individual games but the way the game itself was played requiring upgraded equipment new rules and new ways of adjudicating Changing performance also changed the relationship between

management and players The Giants had two stars the brilliant manager John McGraw and aging pitcher Christy Mathewson and memorable characters such as Rube Marquard and Fred Snodgrass yet their speed and tenacity led to three pennants in a row starting in 1911 Stealing Games gives a great team its due and underscores once more the rich connection between sports and culture
