

The image is a vertical split-screen composition. The left half shows a vibrant, healthy landscape with a lush green lawn in the foreground, a row of green trees in the middle ground, and a bright blue sky with scattered white clouds. The right half shows a starkly different scene: the ground is parched and cracked into a grid of brown fissures, the trees are brown and dead, and the sky is a heavy, greyish-brown with a large, bright white lightning bolt striking down. In the center, a single tree stands as a bridge between the two worlds, its left side green and its right side brown. Overlaid on this scene is the text 'UNDERSTANDING OUR ENVIRONMENT' in large, bold, yellow capital letters with a dark red outline.
