day Hester is led to the town scaffold and harangued by the town fathers but she again refuses to identify her child's father. The elderly onlooker is Hester's missing husband who is now practicing medicine and calling himself Roger Chillingworth. He settles in Boston intent on revenge. He reveals his true identity to no one but Hester whom he has sworn to secrecy. Several years pass. Hester supports herself by working as a seamstress and Pearl grows into a willful impish child. Shunned by the community they live in a small cottage on the outskirts of Boston. Community officials attempt to take Pearl away from Hester but with the help of Arthur Dimmesdale, a young and eloquent minister, the mother and daughter manage to stay together. Dimmesdale however appears to be wasting away and suffers from mysterious heart trouble seemingly caused by psychological distress. Chillingworth attaches himself to the ailing minister and eventually moves in with him so that he can provide his patient with round the clock care. Chillingworth also suspects that there may be a connection between the minister's torments and Hester's secret and he begins to test Dimmesdale to see what he can learn. One afternoon while the minister sleeps Chillingworth discovers a mark on the man's breast the details of which are kept from the reader which convinces him that his suspicions are correct. Dimmesdale's psychological anguish deepens and he invents new tortures for himself. In the meantime Hester's charitable deeds and quiet humility have earned her a reprieve from the scorn of the community. One night when Pearl is about seven years old she and her mother are returning home from a visit to a deathbed when they encounter Dimmesdale atop the town scaffold trying to punish himself for his sins. Hester and Pearl join him and the three link hands. Dimmesdale refuses Pearl's request that he acknowledge her publicly the next day and a meteor marks a dull red A in the night sky. Hester can see that the minister's condition is worsening and she resolves to intervene.

The Scarlet Letter Nathaniel Hawthorne, 2010-12-15. The Scarlet Letter is Nathaniel Hawthorne's finest work. Set in Massachusetts in the 1630s during Puritan America, Hawthorne explores romance, sin, guilt, and repentance in this repressive background. Indeed, this powerful book still remains relevant as the authoritarian Puritan society seems almost an analogy for many areas of the world today. In addition, the book powerfully depicts the philosophical and psychological impact of stresses on the human soul. Read this timeless classic of American fiction and experience what D. H. Lawrence called the perfect work of the American imagination. The Scarlet Letter was written by Nathaniel Hawthorne in 1850 while living in Concord, Massachusetts. Hawthorne was always fascinated by Puritan America due in part to the fact that one of his ancestors was one of the judges at the 1692 Salem witch trials. Hawthorne also wrote *The House of the Seven Gables* in 1851, *The Blithedale Romance* in 1852, and *The Marble Faun* in 1860. He died in 1864 at the age of 60 while on a tour of the White Mountains in Plymouth, New Hampshire.

The Scarlet Letter Nathaniel Hawthorne,2019-04-12 The Scarlet Letter novel by Nathaniel Hawthorne published in 1850 It is considered a masterpiece of American literature and a classic moral study The novel is set in a 17th century village in Puritan New England The main character is Hester Prynne a young woman who has borne a child out of wedlock Hester believes herself a widow but her husband Roger Chillingworth returns to New England very much alive and conceals his identity He finds his wife forced to wear the scarlet letter A on her dress as punishment for her adultery Chillingworth becomes obsessed with finding the identity of his wife s former lover When he learns that the

father of Hester's child is Arthur Dimmesdale, a saintly young minister who is the leader of those exhorting her to name the child's father. Chillingworth proceeds to torment the guilt-stricken young man. In the end, Chillingworth is morally degraded by his monomaniacal pursuit of revenge. Dimmesdale is broken by his own sense of guilt and he publicly confesses his adultery before dying in Hester's arms. Only Hester can face the future bravely as she prepares to begin a new life with her daughter Pearl in Europe. The scarlet letter of the title that the puritanical community of 17th-century Boston forces adulteress Hester to wear is a gold-bordered embroidered A. As both a badge of shame and a beautifully wrought human artifact, it reflects the many oppositions in the novel, such as those between order and transgression, civilization and wilderness, the town and the surrounding forest, adulthood and childhood. The more this society strives to keep out wayward passion, the more it reinforces the split between appearance and reality. The members of this community who are ostensibly the most respectable are often the most depraved, while the apparent sinners are often the most virtuous. The novel also crafts intriguing symmetries between social oppression and psychological repression. Dimmesdale's sense of torment at his guilty secret and the physical and mental manifestations of his malaise reflect the pathology of a society that needs to scapegoat and alienate its so-called sinners. Eventually, personal integrity is able to break free from social control. Perhaps more than any other novel, *The Scarlet Letter* effectively encapsulates the emergence of individualism and self-reliance from America's puritan and conformist roots.

The Scarlet Letter by Nathaniel Hawthorne is a real classic. You should grab it and read it to experience it yourself. Here's a simple plot to *The Scarlet Letter*. In Puritan Boston, Massachusetts, a crowd gathers to witness the punishment of Hester Prynne, a young woman who has given birth to a baby of unknown parentage. She is required to wear a scarlet A on her dress when she is in front of the townspeople to shame her. The letter A stands for adulteress, although this is never said explicitly in the novel. Her sentence required her to stand on the scaffold for three hours, exposed to public humiliation and to wear the scarlet A for the rest of her life. As Hester approaches the scaffold, many of the women in the crowd are angered by her beauty and quiet dignity. When demanded and cajoled to name the father of her child, Hester refuses. As Hester looks out over the crowd, she notices a small, misshapen man and recognizes him as her long-lost husband, who has been presumed lost at sea. When the husband sees Hester's shame, he asks a man in the crowd about her and is told the story of his wife's adultery. He angrily exclaims that the child's father, the partner in the adulterous act, should also be punished and vows to find the man. He chooses a new name, Roger Chillingworth, to aid him in his plan. The Reverend John Wilson and the minister of Hester's church, Arthur Dimmesdale, question the woman, but she refuses to name her lover. After she returns to her prison cell, the jailer brings in Roger Chillingworth, a physician, to calm Hester and her child with his roots and herbs. He and Hester have an open conversation regarding their marriage and the fact that they were both in the wrong. Her lover, however, is another matter, and he demands to know who it is.
