Understanding To Kill A Mockingbird:

Understanding To Kill a Mockingbird Catherine Bernard, 2003 An introduction to Harper Lee's famous novel *To Kill a Mockingbird* discussing the author's life, the historical context of the novel, its plot, themes, characters, literary criticism, and pertinence for today's audiences

Understanding To Kill a Mockingbird Claudia Durst Johnson, 1994-11-22 *To Kill a Mockingbird* is a novel of such profound power that it has affected the lives of readers and left an indelible mark on American culture. This rich collection of historical documents, collateral readings, and commentary captures the essence of the novel's impact, making it an ideal resource for students, teachers, and library/media specialists. Drawing on multi-disciplinary sources, the casebook places the issues of race, censorship, stereotyping, and heroism into sharp perspective. Through these documents, the reader also gains a taste for the historical events which influenced the novel, as well as the novel's relevance in today's world. Among the documents which speak most eloquently are testimony from the Scottsboro Case of the 1930s, memoirs and interviews with African Americans and whites who grew up in Alabama in the 1930s, and news stories on civil rights activities in Alabama in the 1950s. Most of the documents presented are available in no other printed form. Study questions, project ideas, and bibliographies are also included for ease of use in further examination of the issues raised by the novel. Thirteen historical photographs complement the text. Following a literary analysis of issues raised by the novel, the casebook opens with testimony and newspaper articles from the 1930s Alabama Scottsboro Case. The significant parallels of this case to the novel paint a social and historical background of the novel. Memoirs and interviews with African Americans and whites who grew up in Alabama in the 1930s further complete the historical landscape. Articles and news stories from the 1950s depict the increasingly tense, volatile environment in which the novel was written and published. Documents examine the stereotypes of the poor white, the African American, and the southern belle, and how the novel allows the reader to walk around in the shoes of those who have been stereotyped. More current articles examine the legal, literary, and ethical ramifications of the novel. These articles include a debate between lawyers over whether Atticus Finch was a hero and a discussion of attempts to censor the novel.

Reading Harper Lee Claudia Durst Johnson, 2018-05-18 The first book-length study of Harper Lee's two novels, this is the ultimate reference for those interested in Harper Lee's writing, most notably as it considers race, class, and gender. *To Kill a Mockingbird* is timeless, continuing to be a favorite among both students and adults. One million copies are sold every year, and it remains one of the books most often taught in school. This companion guide helps students to better understand the complex themes of race, class, and gender that were first introduced in *To Kill a Mockingbird* and remain relevant in *Go Set a Watchman*, which both challenges and mirrors the topics discussed in Lee's first novel. A literary scholar and a friend of Harper Lee herself, author Claudia Durst Johnson brings a unique perspective to Lee's texts. The book provides a historical background of the Great Depression and the beginning of the Civil Rights Movement, as well as an analysis of the widespread censorship of Lee's works. Chapters provide important context for topics such as racial

issues women's issues and class divisions in the Deep South and serve as discussion points that give students a starting point for their research similarly teachers who struggle with how to introduce students to these challenging but timely topics will appreciate the wealth of knowledge this companion guide will deliver

Monroeville Kathy McCoy, 1998 Unread store shelf copy Monroeville is the county seat of Monroe County a county older than the state of Alabama itself Located in what was the western Creek Nation Monroeville became the center of county business in 1832 eighteen years after the surrender of the Creeks to Andrew Jackson Monroeville soon became a powerful political base in the state In the 20th century it hosted visits from Big Jim Folsom as well as George Wallace a powerful young orator who would change the face of American politics Today Monroeville is known as the childhood home of internationally known authors Harper Lee and Truman Capote Lee's Pulitzer Prize winning novel *To Kill a Mockingbird* was set in a small Southern town based on Monroeville Many of Capote's short stories and novels were drawn from his Monroeville experiences Visitors from around the world come to the town that still remembers when Truman rented the town's only taxi for the weekend and drove around for days visiting Townsfolk like to talk about the time Gregory Peck came to town to meet many of the people who were inspirations for the characters in *To Kill a Mockingbird* As other writers from Monroeville emerge such as Mark Childress and Cynthia Tucker one wonders how many more stories the town holds as well as what is so special about a small rural southwestern Alabama town called Monroeville

Remembering Scottsboro James A. Miller, 2021-07-13 How one of the greatest miscarriages of justice in the United States continues to haunt the nation's racial psyche In 1931 nine black youths were charged with raping two white women in Scottsboro Alabama Despite meager and contradictory evidence all nine were found guilty and eight of the defendants were sentenced to death making Scottsboro one of the worst travesties of justice to take place in the post Reconstruction South *Remembering Scottsboro* explores how this case has embedded itself into the fabric of American memory and become a lens for perceptions of race class sexual politics and justice James Miller draws upon the archives of the Communist International and NAACP contemporary journalistic accounts as well as poetry drama fiction and film to document the impact of Scottsboro on American culture The book reveals how the Communist Party NAACP and media shaped early images of Scottsboro looks at how the case influenced authors including Langston Hughes Richard Wright and Harper Lee shows how politicians and Hollywood filmmakers invoked the case in the ensuing decades and examines the defiant sensitive and savvy correspondence of Haywood Patterson one of the accused who fled the Alabama justice system Miller considers how Scottsboro persists as a point of reference in contemporary American life and suggests that the Civil Rights movement begins much earlier than the Montgomery Bus Boycott of 1955 *Remembering Scottsboro* demonstrates how one compelling provocative and tragic case still haunts the American racial imagination

Everything I Need to Know I Learned from a Children's Book Anita Silvey, 2009-10-13 What children's book changed the way you see the world Anita Silvey asked this question to more than one hundred of our most respected and admired leaders in society and she learned
