**Victor M. Corman**

## Swamp Boy:

**City Wilds** Terrell Dixon, 2002 The assumptions we make about nature writing too often lead us to see it only as a literature about wilderness or rural areas This anthology broadens our awareness of American nature writing by featuring the flora fauna geology and climate that enrich and shape urban life Set in neither pristine nor exotic environs these stories and essays take us to rivers parks vacant lots lakes gardens and zoos as they convey nature's rich disregard of city limits signs With writings by women and men from cities in all regions of the country and from different ethnic traditions the anthology reflects the geographic differences and multicultural makeup of our cities Works by well known and emerging contemporary writers are included as well as pieces from important twentieth century urban nature writers Since more than 80 percent of Americans now live in urban areas we need to enlarge our environmental concerns to encompass urban nature By focusing on urban nature writing the selections in *City Wilds* can help develop a more inclusive environmental consciousness one that includes both the nature we see on a day to day basis and how such nearby nature is viewed by writers from diverse cultural backgrounds

*Swamp Boy* Maribelle Cormack, Pavel L. Bytovetzski, 1948 Living in the lush world of the Okefinokee Swamp in Georgia Clint Sheppard determines that the only way to rise above the swamper's cabin which he shares with his mother is by education which takes money Selling herbs to the druggist Clint discovers a twig of a rare plant the reward from a botanical society would make school a possibility but others are looking for the plant as well

*The Boy Scouts' Year Book*, 1923 **The Carolina Club Boy**, 1926 Powers That Be Ian Wood, 2021-12-28 In the near future after two meteor fragments struck Earth some people developed strange skills though there was nothing unusual about the meteor In the USA these unexplained powers quickly divided those who had them into two groups The Top Tier heroes known in social media the Fab Four were employed by the military in a fight against a super villain known only as Wokon Those endowed with lesser powers were nowhere near as revered until a determined woman who went by the handle of Ayurveda C Dabra organized a diverse group of them into a brave and successful crew Financed secretly by the owner of an up and coming comic book company they took on some serious villains and paid a heavy price and in the process they embarrassed the Top Tier people who were increasingly seen as asleep at the wheel This growing rivalry was to result in dire consequences for the Tier Two Team The question was could they ever survive this and recover their good name Or would it kill them trying

**Boy Scouts in the White Mountains** Walter Prichard Eaton, 1914 *Hades: Stephanie and the Ruthless Mogul* Theodora Taylor, 2022-07-12 Is my husband a dream come true Or the nightmare I was trying to escape before I lost my memory I didn't know true desire until the first time I laid eyes on him Tall dark beautiful as a god completely forbidden He was the penniless son of the help born in the Louisiana bayou and I was a pretty southern princess cultivated like a hothouse flower to become the trophy on some well pedigreed man's arm My mother slapped my face when she saw us together and warned me he would ruin me A few weeks later my father made me sign a contract vowing I wouldn't

t have relations with anyone until I married So I tried to forget him Until one day I woke up to find out I actually had There s a near decade hole in my memory My disapproving parents have passed away And the biggest surprise of all that boy my mother warned would ruin me He s my husband now He s still beautiful as a god and he s now rich as one too He s made himself over from a poor Cajun boy living on the bayou into a ruthless mogul with enough money to give me anything my heart desires A huge house on a lake the perfect job and endless pleasure He s a total dream husband Until one day I receive a note from someone I trust telling me three unsettling things 1 The beautiful god I sleep next to every night is not my real husband 2 Before he re invented himself as a ruthless mogul he was the even more ruthless leader of a notorious motorcycle gang and 3 I was hiding from him all the way up until my accident Could it be Is my dream come true actually the nightmare I was trying to escape What would you do if you were me Live with the perfect illusion Or do whatever it takes to uncover the truth

**In the Loyal Mountains** Rick Bass,1995 Ten stories on people and nature Fires is on a woman long distance runner The Legend of Pig Eye is on a boxer in training and The Valley is on a man s love for a valley By the author of Platte River

**Boys' Life** ,1922-03 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting

**Wolves and the Wolf Myth in American Literature** S.K. Robisch,2009-05-28 The wolf is one of the most widely distributed canid species historically ranging throughout most of the Northern Hemisphere For millennia it has also been one of the most pervasive images in human mythology art and psychology Wolves and the Wolf Myth in American Literature examines the wolf s importance as a figure in literature from the perspectives of both the animal s physical reality and the ways in which writers imagine and portray it Author S K Robisch examines more than two hundred texts written in North America about wolves or including them as central figures From this foundation he demonstrates the wolf s role as an archetype in the collective unconscious its importance in our national culture and its ecological value Robisch takes a multidisciplinary approach to his study employing a broad range of sources myths and legends from around the world symbology classic and popular literature films the work of scientists in a number of disciplines human psychology and field work conducted by himself and others By combining the fundamentals of scientific study with close readings of wide ranging literary texts Robisch astutely analyzes the correlation between actual living wolves and their representation on the page and in the human mind He also considers the relationship between literary art and the natural world and argues for a new approach to literary study an ecocriticism that moves beyond anthropocentrism to examine the complicated relationship between humans and nature
