The Contemplative Stroller Tom Campbell,1982      *American Picturesque* John Conron,2010-11-01      **The Strollers** Frederic S Isham,2021-01-01 Step into the vibrant world of turn of the century New York City with *The Strollers* by Frederic S Isham a captivating novel that takes readers on a journey through the bustling streets and glittering social scene of the Gilded Age Join Isham s ensemble cast of characters artists socialites and aspiring young professionals as they navigate the complexities of love ambition and societal expectations in the fast paced metropolis of New York From lavish balls to bohemian gatherings from opulent mansions to cramped tenements *The Strollers* offers a panoramic view of life in the city that never sleeps Through Isham s richly detailed prose and vivid characterizations readers are transported to a world where fortunes are made and lost overnight where social status is both coveted and scorned and where the pursuit of happiness often leads to unexpected twists and turns With its blend of romance intrigue and social commentary *The Strollers* captures the essence of a bygone era with warmth and authenticity But *The Strollers* is more than just a historical novel it s a timeless exploration of the human condition and the universal quest for meaning and fulfillment As Isham s characters grapple with the challenges of love ambition and identity readers are invited to reflect on their own hopes dreams and aspirations and to consider what truly matters in life With its engaging plot memorable characters and evocative setting *The Strollers* is sure to captivate readers of all ages Whether you re a fan of historical fiction or simply love a good story with heart and depth this novel offers a captivating glimpse into a bygone era and the timeless struggles of the human heart Experience the magic of *The Strollers* by Frederic S Isham for yourself Order your copy today and join the colorful cast of characters as they embark on a journey of discovery love and self discovery amidst the glittering lights of New York City      A New Description of Blackpool Peter Armstrong Whittle,1831      **Metamorphoses of Travel Writing** Grzegorz Moroz,2010-02-19 This book reflects comments on and adds to a fast growing field of travel writing studies The twenty five papers in this volume rely on a variety of theoretical and methodological approaches and explore a diverse body of travel writing texts created over the last three hundred years in English Polish Hungarian and French The book is divided into three parts The first one includes papers which apply the findings of post structuralism generic and cultural criticism as well as narratology to explore theories canons and genres in travel writing drawing material not only from non fictional and fictional prose narratives but also from poetry and tragedy The second and third parts contain papers on a wide selection of travel writing texts both fictional and non fictional written in Anglophone as well as other literary traditions They are arranged chronologically the second part is devoted to texts written in the eighteenth and nineteenth centuries while the third part focuses on those written in the twentieth and twenty first centuries      *Analysing Architecture* Simon Unwin,2020-12-29 Now in its fifth edition *Analysing Architecture* has become internationally established as the best introduction to architecture Aimed primarily at those studying architecture it offers a clear and accessible insight into the workings of this rich and fascinating subject With

copious illustrations from his own notebooks the author dissects examples from around the world and all periods of history to explain the underlying strategies in architectural design and show how drawing may be used as a medium for analysis In this new edition *Analysing Architecture* has been revised and expanded Notably the chapter on How Analysis Can Help Design has been redeveloped to clearly explain this crucially important aspect of study to a beginner readership Four new chapters have been added to the section dealing with Themes in Spatial Organisation on Axis Grid Datum Place and Hidden Material from the Case Studies in previous editions has been redistributed amongst earlier chapters The Introduction has been completely rewritten and the format of the whole book has been adjusted to allow for the inclusion of more and better illustrative examples Works of architecture are instruments for managing orchestrating modifying our relationship with the world around us They frame just about everything we do Architecture is complex subtle frustrating but ultimately extremely rewarding It can be a difficult discipline to get to grips with nothing in school quite prepares anyone for the particular demands of an architecture course But this book will help [www.instagram.com/analysingarchitecture](http://www.instagram.com/analysingarchitecture)
