A Book About Books, Volume I of III E. H. Bernstein,2018-11-28 This book is Volume I of a three volume book plus accompanying website www.bookaboutbooks.com which adds to subjects already in the book or presents some books and subjects not contained in the books The other volumes are available from the same booksellers as this volume Note this 2024 publication date is a corrected version of the original version of this volume published in 2018 A Book about Books discusses what nonfiction books and subjects the author believes are important to know about This book tries to point to problems in how we live and to see if books have any answers Even though the books are complete the author will update the website periodically in the future E H Bernstein is a former librarian turned author The subtitle of the book describes the author s objective A handbook in three volumes to a choice of essential books writers and subjects in order to understand the world we live in about big questions and possible answers about books and writers that may improve people s lives about neglected writers and other books and subjects A Book about Books attempts to share

what the author has learned from nearly 50 years of nonfiction reading and to provide the reader with samples of the most important authors and subjects from that reading While the book is based on research it is intended to be a handbook or guide by trying to make that research understandable to the general reader and to students and for teachers by pointing to what the author believes is missing from today s education A curriculum proposal for college teachers is on the website Note about how the volumes are related each chapter is on a separate subject So the chapters can be read individually but the full message requires reading all the volumes Volume I is important but preliminary to the more important Volumes II and III Note also that the book is not just about books since other sources are also mentioned The author believes we should listen to many voices so the book draws on many types of writers from different times and countries The author says A contemporary writer once said that one of the purposes of writing is that books should be useful I hope that my book will be of use

Promoting Inclusive Education Through the Integration of LGBTIQ+ Issues in the Classroom Palacios-Hidalgo, Francisco Javier,Huertas-Abril, Cristina A.,2023-07-20 As diversity based on gender identity and sexual orientation remains a target for discrimination exclusion and violence in multiple contexts it is necessary to advocate for comprehensive and quality sexuality and gender education to achieve equity and equality This co edited book provides a comprehensive reflection on how education professionals can foster inclusive education in terms of diversity based on gender identity and sexual orientation that impacts positively both LGBTIQ and non LGBTIQ students Promoting Inclusive Education Through the Integration of LGBTIQ Issues in the Classroom offers theoretical considerations and practical examples of how LGBTIQ issues can be addressed in education including instances of curriculum responses teacher training and recommendations for supporting LGBTIQ students Its target audience includes international teachers of all areas and educational stages educators curriculum developers instructional designers principals school boards academicians researchers administrators and policymakers The chapters cover theoretical background practical examples and guidelines and recommendations for LGBTIQ inclusive education policymaking This book serves as a reference for anyone interested in making education more inclusive in terms of diversity based on gender identity and sexual orientation
