*Bring Your Human to Work: 10 Surefire Ways to Design a Workplace That Is Good for People, Great for Business, and Just Might Change the World* Erica Keswin,2018-09-28 WALL STREET JOURNAL BESTSELLER The secret to business success Get REAL and be HUMAN As human beings we are built to connect and form relationships So it should be no surprise that relationships must also translate into the workplace where we spend most of our time Companies that recognize this will retain the most productive creative and loyal employees and invariably seize the competitive edge The most successful leaders are those who actively form quality relationships with their employees who honor fundamental human qualities authenticity openness and basic politeness and apply them day in and day out Paying attention and genuinely caring about the effects people have on one another other is key to developing a winning culture where people perform at the top of their game and want to work As a workplace strategist and business coach Erica Keswin has spent over 20 years working with top business leaders and executives to build successful organizations that honor relationships Featuring case studies from top brands such as Lyft Starbucks Mogul and SoulCycle to name a few Bring Your Human to Work distills the key practices of the most human companies into applicable advice that any business leader can

use to build a human workplace These building blocks include Understanding your company's role in the world beyond financial profit Encouraging employees to be healthy in body and spirit Running your meetings with clear purpose Making space for face to face interaction Building professional development into company culture Inspiring your workforce to give back to the community Simply saying thank you A human company is real genuine aligned and true to itself A real company flaunts its humanity instead of hiding it It's what the most successful sustainable companies are doing today and there's no reason yours can't be the same Keswin's leadership lessons foster fairness devotion and joy in the workplace all critical elements of a successful business By bringing your human to work you can design a workplace that is good for people great for business and just might change the world

**The Lost Art of Connecting: The Gather, Ask, Do Method for Building Meaningful Business Relationships** Susan McPherson, 2021-03-23 Named a Best Business Book of 2021 by Soundview Magazine Reclaim the power of genuine human connection Networking is often considered a necessary evil for all working professionals With social media platforms like LinkedIn Twitter Instagram and Facebook at our disposal reaching potential investors or employers is much easier Yet these connections often feel transactional agenda driven and dehumanizing leaving professionals feeling burnt out and stressed out Instead we should connect on a human level and build authentic relationships beyond securing a new job or a new investor for your next big idea To build real and meaningful networking contacts we need to go back to basics remembering that technology is a tool and more than just a means to an end We need to tap into our humanity and learn to be more intentional and authentic As a serial connector and communications expert Susan McPherson has a lifetime of experience building genuine connections in and out of work Her methodology is broken down into three simple steps Gather Instead of waiting for the perfect networking opportunity to come to you think outside the box and create your own opportunity Host your own dinner party join a local meet up group or volunteer at your neighborhood food pantry Ask Instead of leading with our own rehearsed elevator pitches asking for help ask to help opening the door to share resources experience contacts and perspectives that add diversity to your own vision Do Turn new connections into meaningful relationships by taking these newly formed relationships deeper Follow through on the promises you made and keep in touch Woven together with helpful tips and useful advice on making the most out of every step this book draws on McPherson's own experience as a renowned serial connector as well as the real life success stories of friends and clients Filled with humor humility and wisdom The Lost Art of Connecting is the handbook we all need to foster personal and professional relationships that blur the lines between work and play and enrich our lives in every way
