*Reshaping the Business World Post-COVID-19* Arvind K. Birdie, Ruchi Joshi, 2023-10-06. The COVID-19 pandemic dramatically changed our normal both in life and in business. The timely volume provides a map of how the world has been significantly changed post-COVID-19 pandemic, not only in terms of work and business life but also linking other areas of personal life as well. It explores the diverse impacts of the pandemic on businesses and workplaces, addressing topics such as changes in organizational structures, operations, and marketing, and consumer behavior. Sharing their rich insights and perspectives on today's business world, the authors also look at how personal psychological well-being, the role of spirituality, employee satisfaction, an organization's future competitiveness, and quality of life have been affected and changed by the COVID-19 pandemic. Chapters discuss the challenges and complications of flexible and hybrid working styles and digital collaboration platforms such as Microsoft Teams. Other topics include changed consumer choices and shopping psychology, internet addiction, mental health challenges, new psychological aspects of the art and culture industry, and more. The authors also share effective strategies for creating work-life balance and improving psychological well-being and for navigating the new normal.

*Reshaping the Business World Post-COVID-19 Management Strategies for Sustainable Behavior Change* will be valuable for both industry and academia as it covers concepts of business from various perspectives. The book is sure to help managers of all types navigate the new normal.

The Solo Librarian Lucy Roper, 2024-06-18. Becoming a solo librarian may be a daunting prospect. From collections to cataloguing, classifying to copyright, whether the individual is a solo librarian within a small team with limited help or working in a larger library or information hub, the range of tasks involved will remain the same. Whilst being a solo librarian does have its fair share of challenges that can include juggling multiple tasks and time management, marketing, and embracing the ever-changing technologies and upcoming social media channels, and effectively managing the feeling of being isolated, there are also many advantages. With the author having been through the education process and gained work experience, information professionals will have already picked up many transferrable skills and identified some key aspects when it comes to accessing, using, and running a library. By being intellectually curious, embracing ever-changing technologies, enjoying learning and knowledge creation, and working alongside non-library colleagues, it is likely that information professionals are organised, can manage their time effectively, enjoy helping others by sharing and promoting library and information services.

and will stay engaged as a team of one As a solo librarian herself and a book not being available on the topic she has decided to write one which covers the lessons learnt and templates created in order to assist others that find themselves in a similar role or a small team with limited help This Internationally applicable and practical handbook will follow a yearly planner and shows a timeline of key activities that happen throughout in this instance an academic year and include the following examples Acquisitions cataloguing updating library guidance before academic year start September Student and Staff Inductions September October Quarterly Business Review to review updates and library usage Oct Dec Library cover over student staff holiday period Dec Quarterly Business Review Jan Mar Quality standard s re accreditation April Research methods study skills webinars April Library cover over student holiday period April Quarterly Business Review April June Copyright Audit May Copyright Academic Rollover June Quarterly Business Review July Sept Yearly e Library review July Financial Review July Student Survey Results July Library cover over student holiday period August September Appendices will include a condensed version of Lucy the Librarian top tips for successful solo librarianship Note Chapter 4 of the publication will expand on key elements and provide contextual examples as well as providing templates and guidance notes that will be made available to download and used to aid those working in information knowledge libraries and related disciplines whether based within the UK or around the world The idea behind this practical handbook therefore is to provide guidance and templates to cover Understanding the roles and responsibilities of a solo librarian Identifying library user needs Benchmarking Forming a clear structure for Physical and Online Libraries Acquisitions and financial management Classification and cataloguing Archives and records management Copyright incl Referencing and Plagiarism Intellectual Property and Licensing Communications and promotion Where to access further Information Advice and Guidance and more
