## **Snarling Citizen:**

**The Snarling Citizen** Barbara Ehrenreich, 2000-06-15 There are no pieties liberal or conservative in Ehrenreich's world Fiercely funny and militantly uncompromising The Snarling Citizen contains something to offend almost everyone from Rush Limbaugh to Hillary Clinton and something to delight everyone who believes humans are worth saving after all **The Snarling Citizen** Barbara Ehrenreich, 1995 In this collection of essays her first since the best selling The Worst Years of Our Lives Barbara Ehrenreich delves into the soul of the 1990s in search of the American zeitgeist after The Decade of Greed What she finds is a sour passivity Only a homicidal car rental spokesman or penis severing small town manicurist can induce a brief outbreak of giddiness The youthful pumped up look has given way to menopause chic and our biggest hope for a national health program is that it will provide coverage for Dr Jack Kevorkian's services Even channel surfing may have to be automated soon if the current listlessness continues The Nation Guide to the Nation Richard Lingeman, Nation Magazine, 2009-01-06 The essential lifestyle guide for the millions of progressives on both coasts The Nation Guide to The Nation will help left of center types find left leaning shops cultural institutions and gathering places in their own hometowns and on the road CULTURAL Art collectives activist documentaries political circuses film festivals writers colonies left brained bookstores arts advocacy groups indie book publishers the 25 greatest political movies detective stories for liberals SOCIAL Organic and slow food restaurants political saloons and bars bookshop cafés and conversational coffeehouses sexy singles meet ups reading clubs and discussion groups camps for radical kids parades and festivals parks and preserves ENVIRONMENTAL Activist groups monkey wrenchers and sea shepherds eco friendly products favorite green markets super co ops eco tourism farm communes energy solutions ORGANIZATIONS Peace and anti nuclear feminist GLBT economic policy immigrant rights labor issues campaign finance reform civil liberties radical mouthpieces liberal think tanks MEDIA Left talk radio press watchdogs anti corporate media regional and local papers alternative weeklies a guide to the blogosphere GOODS AND SERVICES Natural food stores no sweat clothing socially conscious mutual funds political tours eco beers and hemp pretzels funeral homes and cemeteries for a green send off **And They Lived Happily Ever... ..Before** Lee Thayer, 2013-05-31 This book is about the apparent incompatibility of romantic love and conventional marriage They go together the popular song has it like a horse and carriage But if the horse is ailing or otherwise not up to the task the carriage will slowly rot away in the carriage house It is also about the perverse fact that people bring to such relationships their expectations from the past as they remember them Typically they had hopes and dreams for their future together When these are dashed it occurs to them that they were better off before they got hitched It is also about the fact that when love befalls us we lose our bearings Love is blind and all that We drift into the conventional fairy tale about living happily ever after That's to be desired But the fairy tale ends with that line It never tells us what we need to do or be in order to live happily ever after Under the spell of the fairy tale which is basic fare in various forms in our culture we set off happily

enough But how is it possible to maintain the delusion of the love state in the banality of the everyday life that inevitably ensues Who told us that making a living or keeping a house in order is a far different world than a wedding Who told us that babies rule the house unless they are tended by someone else Copulate we apparently must But that has consequences that are not a part of the fairy tale So people end up on the other side of the mirror The world is not about lovers the realization creeps upon us It is about 40 000 other things And those have to be dealt with most often before anything else Thus the title And They Lived Happily Ever Before Imagination and reality are often two very different things This book answers the question What Does Love Have to Do with It The answers may surprise you But they will make love affairs that end in marriage far better than you might even imagine they could be
