N. Noel Ferguson, 2021-10-29 Just as a little boy begins questioning his belief in Santa after a disagreement with an older student at school, Mrs. Claus begins to wonder whether this Christmas might be an utter failure. Everything has gone wrong at Santa's workshop. In a moment of complete exasperation, Mrs. Claus makes a wish that transforms the story of the North Pole forever. As a new band of helpers arrives to save Christmas, Santa enlists them as ambassadors tasked with delivering a very special message to believers around the world. Santa's Snow Angels is a delightful tale that reminds all ages that the true spirit of Christmas is about peace, giving, and hope. *Intangible Cultural Heritage and New Methodological Frameworks*

Eleftheria Rania Kosmidou, Leslie Grace McMurtry, 2025-05-08 This book examines media performance and the public space as sites of intangible cultural heritage, a heritage that moves beyond physical museums and monuments to encompass film and media performing arts, oral traditions, social practices, rituals, artifacts, and cultural spaces. Focusing on the current methodological challenges and new frameworks that surround the study of intangible cultural heritage in the public space, this volume explores the ways in which intangible cultural heritage is formed, represented, appropriated, and changed. The authors propose a broad understanding of cultural heritage emerging from the public sphere, encompassing museums, oral traditions, performing arts, social practices, artifacts, media, and cultural spaces as the inclusive, collective cultural expressions of everyday culture. This unique and interdisciplinary volume will interest scholars and students of cultural studies, cultural heritage, media, and film studies, performance studies, history, and sociology. **Creature Kids - Winter and Christmas**
