So Blu:

The Mirror William C. Carter III, 2025-08-04 When Blu looks into the antique mirror he purchased from a dusty old shop he doesn't see his own reflection he sees murder Each glance into the ornate glass reveals a different brutal crime unfolding in what appears to be a twisted parallel world trapped within The victims are real the blood is real but the killer remains maddeningly out of reach Blu can witness every horrifying detail but he cannot intervene cannot warn the victims cannot stop the carnage that plays out before his eyes like a deadly theater performance Desperate to understand his terrifying gift and save the innocent lives he watches being destroyed Blu turns to the only people he trusts his twin brother Tru Saladeen the cop Khalif Rapheal and Calvin Together they must unravel the mystery of the mirror murders before Blu loses his sanity or becomes the next target As the line between reflection and reality begins to blur Blu faces a chilling question What happens when the killer in the mirror finally looks back A supernatural thriller that explores the thin boundary between two worlds where one cursed antique mirror becomes a portal to terror and some reflections are too dangerous to face
