*Told Rush* Brett Babbitt,2018-11-19 Why TOLD RUSH Ever wonder why people like me who claim paranormal abilities go public I think the number one reason is that we have proven to ourselves that there is something else out there that no one can fully explain My whole life is full of odd happenings but initially I was very secretive and tried to explain nothing Over the last few years I have developed an overwhelming urge to tell people or at least entertain them even though some of my experiences are unexplainable Some photos have no provenance unless me talking to dead people in dreams is great provenance I risk facing complete ridicule but when I pass away and head toward the afterlife heaven and I speak to people involved in my book I can always say I did what you wanted me to do I was your dead person reporter and I hopefully was a janitor of the Wild West

**The Poetic Messenger Part II** Veronica B. White,2013-10-24 If you liked Part 1 of *The Poetic Messenger* you will love Part 2 Veronica White continues to advocate and tell the story of people who cannot write or express their ideas thoughts or experiences In order to tell the stories of these wonderful individuals Veronica puts herself in their shoes and connects with them either emotionally spiritually and sexually As a result she writes as *The Messenger* to their pain joy and frustrations as depicted in this poetic prose called Time to Heal Time to heal Time to set aside unnecessary pills Time to get back on track And take the time to just relax Smell a rose Bass in the sun Watch the children play and run Time to change your attitude And show a little more gratitude To experts who are trying their best And love ones who comfort in distress Sickness can be unreal But you must continue to live And be thankful for each new day Praying away the pains of yesterday Life is like a vapor of smoke One minute were here Seconds later were gone Tomorrow isnt promised And time waits on no one When our life on earth is
