The Wheel and the Weave Wayne Boatwright,2026-02-23 You turned the wheel That choice was yours But it s not the end of your story This book begins where most self help ends with the weight of real harm No quick fixes No forgiveness guarantees Just one truth you re still here and your next choice still matters After causing a death while driving drunk the author spent six years at San Quentin sitting in circles with men who had done the irreversible There he learned that guilt doesn t go away but it can be used It can become fuel for repair You are not trapped in one future You are moving through a landscape of possibilities Every act of honesty connection or care shifts what s possible for you and for those you re woven with This is not a redemption story It s a field manual for staying For showing up For making meaning where none was promised The question isn t whether change is possible It s what will you choose next Steering the Elephant Robert Rector,Michael Sanera,1986
