Step By Step Through The Parables:

Step by Step Through the Parables John W. Miller, 1981 **All the Parables of Jesus** David M. Brown, 2012-07-31
Like yeast parables are explosive stories of Jesus that invade our lives and transform us into citizens of the kingdom of God. But they are also cryptic and that's where this book is useful. More than an explanation or interpretation of each parable, this definitive work is primarily an exercise in hermeneutics. In it, readers are taken through a process of discovering which sayings of Jesus are parables, problematic questions related to counting and categorizing them, and Jesus' rationale for speaking in parables. The work then analyzes four distinct ways that parables are structured and three levels at which they do their work in us. The final chapter presents parable-related hermeneutical guidelines, and the book ends with seven extensive Appendices and two Indexes. It is a must-read for every biblical scholar.

More Steps Through the Gospels Alan Engle, 2025-12-02
Experience Continuous Growth Through the Scriptures. As Christians, we know that studying God's Word through a daily reading of the Bible brings personal growth, enlightenment, and power to our lives. The Bible scriptures are living and are fresh every day. The Bible is not like a novel we read through once and toss aside. It is to be studied, absorbed, and lived out. Are you serious about learning and understanding the Bible scriptures? Alan Engle hopes you are and wants to help you along in your journey through his new book. In this book, he continues the idea of stepping up or furthering your understanding of the Bible. In this edition of the stepping series, he highlights the four Gospels: Matthew, Mark, Luke, and John, as he did in *Stepping Through the Gospels*. The format is the same as his first two books, *Stepping through the Psalms and Proverbs* and *More Steps Through the Scriptures*, that is, to pick out a favorite verse or paragraph and write a short commentary on it. *More Steps Through the Gospels: Walking with Jesus* picks up where *Stepping Through the Gospels* leaves off and completes Jesus's journey to His ascension. It is not a rigorous study with footnotes and references to other writers. It was written with the leading of the Holy Spirit. So it is easy to read, absorb, and think about. The Steps lend themselves to daily reading and meditation. It is also designed for small group Bible study. *More Steps Through the Gospels* will introduce you to another Christian interpretation of the Scriptures, shed new light on some of your favorite scriptures, stimulate your thinking on how you might write a commentary, encourage a daily quick study of the Word of God, build you up in a positive outlook on your steps with God, and work in addition to other commentaries for a more complete study. If you desire to grow more in your walk with the Lord, this book can be your guide. In conjunction with the Holy Spirit, a deeper understanding of the Scriptures is possible, and your life can become more fruitful.

Notes on the Parables of Our Lord Richard Chenevix Trench, 1874 **The Teaching of Jesus in Parables** George Henry Hubbard, 1907 [The hidden word, 30 devotional studies of the parables.](#) Stereotyped ed. Thomas Birkett, Dover, 1888 **Religious Ideas, Feelings and Their Interrelationship** Theo van der Zee, 2007
Religious education seeks to help students acquire religious ideas by interpreting religious and other stories in accordance with their life world. Schools pursue this goal by organising religious learning.

activities The question is whether the acquisition of religious ideas is possible for young students considering the difficulties such as the complex and not readily understandable religious stories and social developments as de institutionalisation de traditionalisation and pluralisation What are the possibilities for primary schools of teaching their students knowledge about religious ideas What is the influence of feelings on the acquisition What possibilities in the form of learning arrangements can be created for primary school students with their diverse religious backgrounds to acquire religious ideas optimally That is the cardinal problem explored in this study
