Stet An Editors Life:

Stet Diana Athill,2002 Diana Athill's *Stet* is a beautifully written hardheaded and generally insightful look back at the heyday of postwar London publishing by a woman who was at its center for nearly half a century. The Washington Times A founding editor of the prestigious publishing house Andre Deutsch Ltd Athill takes us on a guided tour through the corridors of literary London offering a keenly observed devilishly funny and always compassionate portrait of the glories and pitfalls of making books. *Stet* is a must read for the literarily curious who will revel in Athill's portraits of such great literary figures as Jean Rhys V S Naipaul Norman Mailer Philip Roth Mordecai Richler and others. Spiced with candid observations about the type of people who make brilliant writers and ingenious publishers and the idiosyncrasies of both *Stet* is an invaluable contribution to the literature of literature and in the words of the Sunday Telegraph all would be authors and editors should have a copy. Wryly humorous notable for its extraordinary lucidity. The New York Times Book Review A beguiling tonic to book business sob stories *Stet* can barely contain Athill's charm and great big heart. Newsday In addition to telling a good story Athill writes profoundly about how she is affected by the books she loves. The Boston Globe

Stet Diana Athill,2011 Stunning re issue of Diana Athill's candid memoir of a life spent working as an editor with some of the most celebrated writers of the post war generation [Make Believe: A True Story](#) Diana Athill,2012-10-04 In *Make Believe* Diana Athill acclaimed author of *Instead of a Letter* and *Stet* remembers her turbulent friendship with Hakim Jamal a young black convert to the teachings of Malcolm X whom she met in London in the late 1960s. Despite a desperately troubled youth he became an eloquent spokesman for the black underclass was Jean Seberg's lover and published a book about Malcolm X before descending into a mania that had him believing he was God. A witness to his struggles Diana Athill writes with her characteristic honesty about her entanglement with Jamal. Jamal's relationship with the daughter of a British MP Gail Benson and Jamal's and separately Gail's eventual murders [Return To Akenfield](#) Craig Taylor,2012-11-01 Ronald Blythe's 1969 book *Akenfield* a moving portrait of English country life told in the voices of the farmers and villagers themselves is a modern classic. In 2004 writer and reporter Craig Taylor returned to the village in Suffolk on which *Akenfield* was based. Over the course of several months he sought out locals who had appeared in the original book to see how their lives had changed. He met newcomers to discuss their own views and he interviewed Ronald Blythe himself now in his eighties. Young farmers retired orchardmen and Eastern European migrant workers talk about the nature of farming in an age of computerization and encroaching supermarkets commuters weekenders and retirees discuss the realities behind the rural idyll and the local priest teacher and more describe the daily pleasures and tribulations of village life. Together they offer a panoramic and revealing portrait of rural English society at a time of great change *The Book Publishing Industry* Albert N. Greco,2004-11-16 This volume provides an innovative and detailed overview of the book publishing industry including details about the business processes in editorial marketing and production. The work explores the complex issues that occur

everyday in the publishing in *Don't Look At Me Like That* Diana Athill,2016-12-01 England in the mid fifties Meg Bailey has always aspired to live a respectable life With her best friend Roxane she moves from secondary school to an un-Bohemian art college in Oxford Under the watchful eye of Roxanne's mother Mrs Wheeler the two girls flourish in Oxfordian society But Meg constantly longs for more Not content to stay in Oxford she finds a job in London Roxane stays behind and marries Dick a man of Mrs Wheeler's choosing As Meg's independence grows Dick suddenly appears in London for work A connection to her past Meg and Dick's friendship flourishes blurring the lines of loyalty between what is and what was in a way that changes life for these three friends forever As sharp and startling now as when it was written this unflinching and candid book of love and betrayal encapsulates Diana Athill's gift of storytelling at its finest

Instead of a Letter Diana Athill,2023-08-15 When Diana Athill nearly forty three and far from a household name sat down to write *Instead of a Letter* the first in her series of trailblazing memoirs she was looking for an answer to the question What have I lived for In this searching book she recalls her childhood on her grandparents magnificent estate the teenage romance that was certain to lead to marriage her university days coinciding with the Second World War and the sudden dissolution of her engagement a loss that became the defining experience of the next twenty years of her life Athill is as forthright in confessing her faults as she is in celebrating her triumphs From this table with this white tea cup full ashtray and small glass half full of rum beside me she writes I see my story ordinary enough though it has all been and sad though much of it was as a success story

The Cambridge Companion to British Fiction: 1980-2018 Peter Boxall,2019-06-27 From 1980 to the present huge transformations have occurred in every area of British cultural life The election of Margaret Thatcher in 1979 ushered in a new neoliberal era in politics and economics that dramatically reshaped the British landscape Alongside this political shift we have seen transformations to the public sphere caused by the arrival of the internet and of social media and changes in the global balance of power brought about by 9/11 the emergence of China and India as superpowers and latterly the British vote to leave the European Union British fiction of the period is intimately interwoven with these historical shifts This collection brings together some of the most penetrating critics of the contemporary to explore the role that the British novel has had in shaping the cultural landscape of our time at a moment in the wake of the EU referendum of 2016 when the question of what it means to be British has become newly urgent
