Steve Reich D. J. Hoek,2002 In the late 1960s and early 1970s Steve Reich was considered a fringe experimentalist His work consisted largely of repeating slowly changing patterns unlike either the serialism or the aleatory that predominated at that time Today however Reich is one of the most prominent and celebrated contemporary composers one about whom the scholarly and popular literature offers an assortment of critical historical and analytical perspectives Author D J Hoek s bio bibliography serves as an essential guide to this literature comprehensively surveying Reich s life and work Included are details of all of Reich s compositions dates instrumentation premiere performances and publishers a discography listing all commercial recordings of the composer s oeuvre and an annotated bibliography of publications in English French German and Italian The Reich scholar or aficionado could not find a more thorough encapsulation of his brilliant career *Dictionary of American Classical Composers* Neil Butterworth,2013-10-02 The Dictionary of American Classical Composers covers over 650 composers active from the 18th century to today Covering all classical styles it offers the most comprehensive overview of key composers in the United States available Entries include basic biographical information and critical analysis of each composer s key works and ideas Entries also include worklists and bibliographic information Whenever possible the entries will have been checked by the composers themselves to assure greatest possible accuracy This new edition completely updated and expanded from the 1984 edition also includes over 200 historic photographs Sourcebook for Research in Music, Third Edition Allen Scott,2015-06-01 Since it was first published in 1993 the Sourcebook for Research in Music has become an invaluable resource in musical scholarship The balance between depth of content and brevity of format makes it ideal for use as a textbook for students a reference work for faculty and professional musicians and as an aid for librarians The introductory chapter includes a comprehensive list of bibliographical terms with definitions bibliographic terms in German French and Italian and the plan of the Library of Congress and the Dewey Decimal music classification systems Integrating helpful commentary to instruct the reader on the scope and usefulness of specific items this updated and expanded edition accounts for the rapid growth in new editions of standard works in fields such as ethnomusicology performance practice women in music popular music education business and music technology These enhancements to its already extensive bibliographies ensures that the Sourcebook will continue to be an indispensable reference for years to come **Music Library and Research Skills** Jane Gottlieb,2017 Concise and engaging this text covers a wide range of reference sources for research in all genres of music Through this practical introduction to the key concepts of music research students will develop a firm understanding of the tools used to gather data including what types of sources exist how they are arranged and how they may best be used to do research Historical Dictionary of Modern and Contemporary Classical Music Nicole V. Gagné,2012 Historical Dictionary of Modern and Contemporary Classical Music focuses on modernist and postmodern classical music worldwide from 1890 to the present This is done through a chronology an

introductory essay an extensive bibliography and over 400 cross referenced dictionary **Steve Reich** ,1980 Why You Like It Nolan Gasser,2019-04-30 From the chief architect of the Pandora Radio s Music Genome Project comes a definitive and groundbreaking examination of why we respond to music the way we do Everyone loves music But what is it that makes music so universally beloved and have such a powerful effect on us In this sweeping and authoritative book Dr Nolan Gasser a composer pianist and musicologist and the chief architect of the Music Genome Project which powers Pandora Radio breaks down what musical taste is where it comes from and what our favorite songs say about us Dr Gasser delves into the science psychology and sociology that explains why humans love music so much how our brains process music and why you may love Queen but your best friend loves Kiss He sheds light on why babies can clap along to rhythmic patterns and reveals the reason behind why different cultures around the globe identify the same kinds of music as happy sad or scary Using easy to follow notated musical scores Dr Gasser teaches music fans how to become engaged listeners and provides them with the tools to enhance their musical preferences He takes readers under the hood of their favorite genres pop rock jazz hip hop electronica world music and classical and covers songs from Taylor Swift to Led Zeppelin to Kendrick Lamar to Bill Evans to Beethoven and through their work Dr Gasser introduces the musical concepts behind why you hum along tap your foot and feel deeply Why You Like It will teach you how to follow the musical discourse happening within a song and thereby empower your musical taste so you will never hear music the same way again **The Recorder** Richard W. Griscom,David Lasocki,2013-06-17 A Choice Best Academic book in its first edition The Recorder remains an essential resource for anyone who wants to know about this instrument This new edition is thoroughly redone takes account of the publishing activity of the years since its first publication and still follows the original organization **The Book Review Digest** ,2003 *Current Musicology* Austin Clarkson,2005 **Kenneth Leighton** Carolyn J. Smith,2004-11-15 Kenneth Leighton best known for his organ and sacred choral music was a composer of great depth and talent who wrote a significant body of works Many of those works were written for large orchestras and a significant number of pieces of chamber music were composed for a variety of instrument groupings as well as for instrumental solos Anyone interested in 20th century music as well as British and Scottish Cathedral music will find a wealth of works listed with a description of each Kenneth Leighton best known for his organ and sacred choral music was a composer of great depth and talent who wrote a significant body of works Many of those works were written for large orchestras and a significant number of pieces of chamber music were composed for a variety of instrument groupings as well as for instrumental solos Anyone interested in 20th century music as well as British and Scottish Cathedral music will find a wealth of works listed with a description of each This volume begins with a brief biography of Leighton and is followed by an alphabetical listing of works and performances Also included is a discography and a bibliography of articles reviews books and dissertations The last section is a chronological list of compositions Smith helps us to realize that Kenneth Leighton was an extraordinary composer of 20th century music with a varied body of works

 compositeur d apparence simple Derri re cette vidence de la forme et des l ments qui la composent se cache la complexit l  
 ambigu t est rig e en syst me Ainsi le processus qui est a priori implacable inexorable r serve toujours une part de surprises  
 Par le d phasage graduel on perd quelque peu pied Les motifs r sultants montrent la virtualit de la musique reichienne Et que  
 dire de cette attraction r pulsion pour l lectronique Un trait essentiel de la cr ation de Reich partir de 1976 est la notion de  
 cycles d accords ceux ci expos s d s le d but sont suppos s revenir dans l ordre Bien souvent les oeuvres issues de ce proc d  
 sont comme des jeux de pistes Le rapport au texte a volu chez le compositeur Dans les premi res pi ces le sens est atomis  
 Puis il y a une s mantisation qui aboutit des oeuvres ethiques apr s 1990 Par exemple Three Tales 2002 est une oeuvre de r  
 flexion sur les dangers de la technologie au XX me si cle mais c est aussi une oeuvre postmoderne et on sait combien cette  
 notion est quivoque      **American Book Publishing Record** ,2002
