Start Your Family Candice Watters, Steve Watters, 2009-01-01 Starting a family is a soul shaping world altering experience. Unfortunately in a culture of competing values and protracted timelines couples are increasingly backing their way into parenting or missing it altogether. By the time the average couple tries to have kids they are often beyond their late twenties and surprised to learn they are sliding past the peak of their fertile years. In Start Your Family Steve and Candice Watters encourage couples to be intentional about their timeline in the early years of marriage and to trust God to help them boldly launch their families. Responding to the most common doubts and hurdles they offer biblical inspiration for the questions Why have kids When is the best time to start How can we fit kids into our lives

The Source for Effective Church Service Planning, 2003 A comprehensive listing of service tested programming material designed to supplement a church's creative process of service planning. Second edition

Apostles of Rock Jay R. Howard, John M. Streck, 2021-10-21 Apostles of Rock is the first objective comprehensive examination of the contemporary Christian music phenomenon. Some see CCM performers as ministers or musical missionaries while others define them as entertainers or artists. This popular musical movement clearly evokes a variety of responses concerning the relationship between Christ and culture. The resulting tensions have splintered the genre and given rise to misunderstanding, conflict, and an obsessive focus on self-examination. As Christian stars Amy Grant, Michael W. Smith, DC Talk, and Sixpence None the Richer climb the mainstream charts, Jay Howard and John Streck talk about CCM as an important movement and show how this musical genre relates to a larger popular culture. They map the world of CCM by bringing together the perspectives of the people who perform, study, market, and listen to this music. By examining CCM lyrics, interviews, performances, web sites, and chat rooms, Howard and Streck uncover the religious and aesthetic tensions within the CCM community. Ultimately, the conflict centered around Christian music reflects the modern religious community's understanding of evangelicalism and the community's complex relationship with American popular culture.
