Hamer, 2009-09 Is God still talking This book makes the question a statement God is still talking The real question is Are you listening God is still talking to you Did God have anything more to say after the completion of Scripture or has he retreated into silence In *God Is Still Talking* Dr James E Hamer explores these and other questions pertaining to a daily relationship with Christ He takes the reader on a journey to the greater dimension of living in the Spirit where there is daily access to the presence of God It is an invisible reality there to be explored and experienced rather than argued and analyzed if believers want to hear God talking Dr Hamer sees a capacity for more in our personal relationships with Christa sacred places where God is still speaking How is it possible to have a personal relationship with someone who is invisible *God Is Still Talking* will help you recognize the various ways that God is communicating his direction insights and truth to your life What is God saying to you **Works** Leonard Merrick, 1921
