Bright**

Tear Here:

Pull Gently, Tear Here Alexandra Leggat, 2009-11-02 Pull Gently Tear Here is critically acclaimed poet Alexandra Leggat's first collection of short stories. In these short tales about fitting in, the lives of the characters are pulled in circles as pieces of their identity are torn away by the day-to-day events shaping their lives. In *Dodger*, a young boy who escapes his abusive family searches for empathy from petty criminals and an affluent woman whose flawless life cracks when their worlds cross paths. In the satirical story *Acrylic Dreams*, Leggat reveals that something as superficial as nail polish can produce a radical effect on men. And in the poignant *All Trapeze Artists and Clowns*, we experience one character's struggle to achieve the trappings of success in life: OCo the happy relationship, the satisfying career, and the proud family. OCo then upon attaining these treasures, realizing that it's not all it's cracked up to be. *Catalogue ...* Montgomery Ward, 1929

Stimulus-Response Compatibility R.W. Proctor, T.G. Reeve, 1989-12-18 Stimulus response compatibility refers to the finding that certain mappings of stimuli to responses produce faster and more accurate responding than do others. The present volume surveys compatibility research which falls into four broad categories: a mental representation and coding; b neurophysiological mechanisms; c motor performance; d human factors applications. The major findings and models within each of the categories are summarized, and an integrated perspective is provided. The research indicates that compatibility effects reflect basic cognitive processes that bear on a range of issues in cognitive science and that have applied implications for human factors specialists. **St. Nicholas** Mary Mapes Dodge, 1893 **Punch** Mark Lemon, Henry Mayhew, Tom

Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1884 The Theatre Clement Scott, Bernard Edward Joseph Capes, Charles Eglington, Addison Bright, 1883 **Tear Here** Matthew Pitt, 2026-02-17 Reflects on the dark rise and fall of an ambitious rock music collective in the upper Midwest. Matthew Pitt's first novel draws from characters introduced in his debut story collection. The rock band *Some Assault* comprised of dropouts and hedonists flails from gig to gig, directed by their volatile drummer Liddy who careens between foster homes and addictions. She and the band strike up a surprise friendship with Charlie Shales, their remedial algebra teacher. At first, this link is transactional, with Shales seeking drugs and the band seeking a customer. Before long, an odd and meaningful bond is formed. When Charlie later passes, Liddy orchestrates an elaborate sonic empire, dismissing her own health woes. She recruits new members with targeted zeal, including Oliv, heiress to twin fortunes in condiment packaging and shortbread cookies. Deploying Oliv's funds to buy a shuttered women's prison, *Some Assault* converts the acreage into a farm collective and a massive recording studio, dubbed *The Hive*. Misfits continue to swell *Some Assault*'s roster, lured by *The Hive*'s promise of security and rabid praise. Andy Warhol's *Factory* in an Instagram age. However, once the band's fifteen minutes of fame threaten to expire, territorial violence rises, driven by dark desires to command the public eye at all costs. Chronicled by a member who managed to flee *The Hive*, *Tear Here* surveys the fierce fallout of cravings for celebrity that warp into cultish conduct. **The Theater**, 1883 **The**
