New Testament Comments from Early Bishops
TESTAMENTS OF TIME

"The Greek publisher's unique answer to the long-ignored need brought to the day and before the world by the late Bishop Leavelle and his colleagues' past collections is a brilliant and profitable volume. Classic Greek letters and letters by contemporary greats like Tertullian, Jerome, Basil, and Ambrose, and the Holy Bible, are all here and in excellent and clear style based on the original of paper and parchment. This book provides an excellent introduction to one of the best known branches of research and scholarship in the world." —*Amazon*, *Senior author of A History of the Bible*

"This new read Testaments of Time and I could not resist! In making this press who is interested in other books or articles will find a great deal of pleasure in the book, while the press who is interested in both issues will find it read without being bored at all and thoroughly enjoyed."

"This is a book which one will want to sample directly and read in the future of the real book about the Greek world. It is a masterpiece of a book which, no matter how many times you read it, you will find many reasons to return to it to read and see things and learn another."

—*Amazon*, *Author of The Hebrew Language*

"Testaments of Time is undoubtedly a fascinating book. Mr. Deuel has done a prodigious amount of research and done it well. It is particularly gratifying to know that, while some people write in unkind and untrue terms, he has provided enough positive papers to counterbalance the untrue remarks of his competitors. Some of the more particularly notable parts of the book, especially the early letters of Jerome, is made more useful. In the volume and length he has written is a valuable light to enable the reader to enjoy a great historical pleasure."

—*Amazon*, *Senior professor of Old Testament Studies, General Theological Seminary*
