**Trash Talk** Nancy Next, 2020-12-21 You picked up this book because there is someone in your life who talks a lot of trash It could be a friend a brother or sister a parent an enemy a frenemy a celebrity a politician or some random person who is on your last nerve This person flies under the radar Her little comments suggestions and gestures get under your skin You heard it You know you heard it It felt like a jab a crack a shot but you can t put your finger on it When he talks to you you feel attacked shamed uncomfortable or a little bit smaller This book will help you spot the trash talk and even better this book will help you understand the trash talker I hope you picked up this book because you are the trash talker in your life In the wrong hands this book is a weapon As you read through the chapters you will recognize people you know This is not an invitation to attack judge or shame people because of their trash talk This book isn t ammunition It s information Use this information to understand other people Use this information to understand you This is a book for people who are ready to look at themselves and get to know themselves I m glad you re one of those people When I was a kid I and lots of other people used to believe Here is what I am Take it or leave it I thought the way I spoke to people was a natural part of who I was and if people didn t like it they could buzz off As I got a little older I learned that how I talked especially to others wasn t always serving me well There was too much conflict in my

life and that made my life harder Who needs that At our core we re all lovers not fighters I was tired of fighting I realized there had to be a way to be true to myself without causing unnecessary trouble There are times to be loud and get in people s faces There s more on that in this book But as a general rule it s best not to get other people fired up when it isn t necessary If I wanted better relationships with people I knew I would have to change the way I spoke to them This is NOT the same as changing me or who I am You don t have to change who you are If there is too much conflict in your life all you need to do is change your speech strategy When I spoke sometimes people felt attacked shamed uncomfortable or a little bit smaller Now I want to make people feel empowered confident loved and a little bit bigger That is what effective people do I want to be an effective person I m sure you do too Now that you re ready let s go That s right You
